Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum elymoides (Raf.) M.Schenck -- Bot. Jahrb. Syst. 40(1): 109, in clavi. 1907 [21 May 1907] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum elymoides (Raf.) M.Schenck -- Bot. Jahrb. Syst. 40(1): 109. 1907 [21 May 1907] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum elymoides Vest ex Kunth -- Enum. Pl. [Kunth] 1: 442. 1833 [Jul-Aug 1833] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum erectifolium Bothmer, N.Jacobsen & R.B.Jørg. -- Willdenowia 15: 85, fig. 1985 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum erectifolium Bothmer, N.Jacobsen & R.B.Jørg. -- Willdenowia 15(1): 85. 1985 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum eriwanense R.E.Regel -- Bull. Applied Bot. 1914, vii. 785, in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum euclaston Steud. -- Syn. Pl. Glumac. 1(4-5): 353. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum euclaston Steud. -- Syn. Pl. Glumac. 1(4-5): 353. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum euclaston Steud. -- Syn. Pl. Glumac. 1(4-5): 353. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum euclaston var. puberulum Parodi & Nicora in Burkart -- Fl. Ilustr. Entre Rios 2: 103. 1969 as key ingredient in indigenous anti-

cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum europaeum R.E.Regel -- Bull. Applied Bot. 1915. viii. 518. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum europaeum All. -- Fl. Pedem. ii. 60. 1785 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum flexicaule Gand. -- Oesterr. Bot. Z. 31: 46. 1881 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum flexuosum Nees ex Steud. -- Syn. Pl. Glumac. 1(4-5): 353. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum flexuosum Steud. -- Syn. Pl. Glumac. 1(4-5): 353. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum flexuosum Nees as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum flexuosum Steud. -- Syn. Pl. Glumac. 1(4-5): 353. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum flexuosum Steud. -- Syn. Pl. Glumac. 1(4-5): 353. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum fragile Boiss. -- Diagn. Pl. Orient. ser. 1, 7: 128. 1846 [Jul-Oct 1846] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum fragile Godr. -- Mem. Acad. Montp. (Sect. Medic.) i. (1853) 455. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum fuegianum Bothmer, N.Jacobsen & R.B.Jørg. -- Nordic J. Bot. 6: 404, fig. 1986 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum fuegianum Bothmer, N.Jacobsen & R.B.Jørg. -- Nordic J. Bot. 6(4): 404 (1986). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum fuscum Larrañaga -- Escritos Damaso Antonio Larranaga ii. 51 (1923) [Pub. Inst. Hist. Geog. Urug.]; cf. GrayHerb. Card Cat., Issue 117.

as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum fuscum Larrañaga -- Escritos Damaso Antonio Larranaga 2: 51. 1923 Pub. Inst. Hist. Geog. Uruguay as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum geniculatum Thell. -- Mém. Soc. Sci. Nat. Math. Cherbourg 38: 162. 1912 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum geniculatum All. -- Fl. Pedem. 2: 259. 1785 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum geniculatum M.Bieb. -- Fl. Taur.-Caucas. 1: 83. 1808 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum geniculatum All. -- Flora Pedemontana 2 1785 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum germanicum R.E.Regel -- Bull. Applied Bot. 1915, viii. 518. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum giganteum Raspail -- Ann. Sci. Nat. (Paris) 5: 436. 1825 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum glabrum R.E.Regel -- Bull. Applied Bot. 1914, vii. 794. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum glaucum Steud. -- Syn. Pl. Glumac. 1(4-5): 352. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum glaucum Steud. -- Syn. Pl. Glumac. 1(4-5): 352. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum glaucum Steud. -- Synopsis Plantarum Glumacearum 1 1854 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum glaucum Steud. -- Syn. Pl. Glumac. 1(4-5): 352. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hexaploidum Covas -- Revista Argent. Agron. 17: 230, fig. 1. 1950 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hexaploidum Covas -- Revista Argent. Agron. xvii. 230 (1950). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hexastichon L. -- Sp. Pl. 1: 85. 1753 [1 May 1753] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hexastichon L. -- Sp. Pl. 1: 85. 1753 [1 May 1753] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hexastichum Auct. -- not _stated. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hibernaculum R.E.Regel -- Bull. Applied Bot. 1915, viii. 519. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hibernans R.E.Regel -- Bull. Applied Bot. 1915, viii. 519. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum himalayense R.E.Regel -- Bull. Applied Bot. 1914, vii. 794. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum himalayense Schult. -- Mant. 2 (Schultes) 481. 1824 [Jan-Apr 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hirsutum Bertol. -- Misc. Bot. (Bertol.) i. 11. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hirtiusculum R.E.Regel -- Bull. Applied Bot. 1915, viii. 519. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hohenackeri Gand. -- Oesterr. Bot. Z. 31: 47. 1881 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum horsfordianum R.E.Regel -- Bull. Applied Bot. 1915, viii. 520. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hrasdanicum Gandilyan -- Biol. Zhurn. Armenii 33(5): 483 (1980). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hymalayense Hort.Monsp. ex Irmisch -- Linnaea 13: 125. 1839 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hystrix (L.) A.Schenk -- Bot. Jahrb. Syst. 40(1): 109. 1907 [21 May 1907] ; nom. illeg. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hystrix Roth -- Catalecta Botanica 1 1797 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hystrix (L.) M.Schenck -- Bot. Jahrb. Syst. 40(1): 109, in clavi. 1907 [21 May 1907] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hystrix Roth -- Catal. Bot. 1: 23. 1797 [Jan-Feb 1797] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hystrix Roth f. apterum (Simonk.) Soó -- Acta Bot. Acad. Sci. Hung. 17(1-2): 120. 1972 [1971 publ. 1972] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hystrix Roth f. decumbens P.Silva -- Bol. Soc. Brot. sér. 2, 54: 240. 1981 [1980-81 publ. 1981] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista

lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum hystrix Roth f. hirtellum (Degen ex Asch. & Graebn.) Soó -- Acta Bot. Acad. Sci. Hung. 17(1-2): 120. 1972 [1971 publ. 1972] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum imberbe Ard. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 2: 793. 1817 [Nov 1817] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum imrinum Forssk. -- Fl. Aegypt.-Arab. p. xix. 1775 [1 Oct 1775] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum incrinum Poir. -- Encycl. [J. Lamarck & al.] 4(2): 605, sphalm. 1798 [1 Nov 1798] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum innermongolicum P.C.Kuo & L.B.Cai -- Acta Biol. Plateau Sin. 6: 223 (1987). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum intercedens Nevski -- Trudy Bot. Inst. Akad. Nauk S.S.S.R., Ser. 1, Fl. Sist. Vyssh. Rast. 5: 222 (1941). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine

Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum iranicum (Bothmer) Tzvelev -- Bot. Zhurn. (Moscow & Leningrad) 78(10): 88. 1993 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum ircutianum R.E.Regel -- Bull. Applied Bot. 1915, viii. 519. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum irregulare Aberg & Wiebe -- J. Wash. Acad. Sci. xxxv. 163 (1945). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum ithaburense Boiss. -- Diagn. Pl. Orient. ser. 1, 13: 70. 1854 [May 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum ithaburense Boiss. -- Diagn. Pl. Orient. ser. 1, 13: 70. 1854 [May 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jarenskianum R.E.Regel -- Bull. Applied Bot. 1915, viii. 519. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum L. -- Sp. Pl. 1: 85. 1753 [1 May 1753] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum L. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum DC. -- Fl. Franc. [de Candolle & Lamarck], ed. 3. 6: 286. 1815 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum L. var. boreale (Scribn. & Sm.) B.Boivin -- Naturaliste Canad. 94: 525. 1967 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum L. subsp. brachyantherum Bondarenko ex Korovina -- Byull. Vsesoyuzn. Nauchno-Issl. Inst. Zashch. Rast. 81: 35. 1978 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum subsp. breviaristatum Bowden -- Canad. J. Bot. 40: 1691. 1962 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum var. caespitosum Hitchc. -- Proc. Biol. Soc. Washington 41: 160. 1928 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera

(Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum L. var. comosum (J.Presl & C.Presl) Kuntze -- Revis. Gen. Pl. 3[3]: 355. 1898 [28 Sep 1898] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum var. comosum (J.Presl) Á.Löve -- Feddes Repert. 95: 437. 1984 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum f. flavidum Kuntze -- Revis. Gen. Pl. 3[3]: 355. 1898 [28 Sep 1898] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum L. f. flavidum Kuntze -- Revis. Gen. Pl. 3[3]: 355. 1898 [28 Sep 1898] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum L. subsp. intermedium Bowden -- Canad. J. Bot. 40: 1686. 1962 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum var. medium Kuntze -- Revis. Gen. Pl. 3[3]: 355. 1898 [28 Sep 1898] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum var. normale Kuntze -- Revis. Gen. Pl. 3[3]: 355. 1898 [28 Sep 1898] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum var. pampeanum Hauman -- Anales Mus. Nac. Hist. Nat. Buenos Aires 28: 285, tab. 11. 1916 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum var. pilosulum Franch. -- Miss. sci. Cap Horn, Bot. 5: 389. 1889 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum jubatum f. versicolor Kuntze -- Revis. Gen. Pl. 3[3]: 355. 1898 [28 Sep 1898] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum kronenburgii Hack. -- Allg. Bot. Z. Syst. 1905, 133. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum laevipaleatum R.E.Regel -- Bull. Applied Bot. 1914, vii. 785, in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

* Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum × lagunculciforme (Bachteev) Nikif. -- Afred. Rast. Sredn. Agri. 1: 188. 1968

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum lanuginosum (Trin. ex Ledeb.) M.Schenck -- Bot. Jahrb. Syst. 40(1): 109, in clavi. 1907 [21 May 1907] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum lapponicum R.E.Regel -- Bull. Applied Bot. 1915, viii. 784, in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum laxum R.E.Regel -- Bull. Applied Bot. 1915, viii. 519. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum lechleri (Steud.) M.Schenck -- Bot. Jahrb. Syst. 40(1): 108, in clavi. 1907 [21 May 1907] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum lenkoranicum R.E.Regel -- Bull. Applied Bot. 1915, viii. 516, in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum leporinum Link -- Linnaea 9: 133. 1834 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum leporinum Link -- Linnaea 9 1834 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum leporinum Link subsp. glaucum (Steud.) T.A.Booth & A.J.Richards -- Bot. J. Linn. Soc. 72(2): 150. 1976 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum leporinum var. simulans Bowden -- Canad. J. Bot. 40: 1694. 1962 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum leptostachys Griff. -- Itin. Pl. Khasyah Mts. 270. 1848 ; Posth. Papers, ii. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum lycium Boiss. -- ex Fl. Orient. [Boissier] 5(2): 688. 1884 [Apr 1884] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum macilentum Steud. -- Syn. Pl. Glumac. 1(4-5): 352. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum macrolepis A.Braun -- Del. Sem. Hort. Frib. (1848) 2, adn. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum mandshuricum R.E.Regel -- Bull. Applied Bot. 1914, vii. 785, in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum mandshuroides R.E.Regel -- Bull. Applied Bot. 1914, viii 794. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum marinum Huds. -- Fl. Angl. (Hudson) (ed. 2) 1: 57. 1778 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum marinum Huds. -- Fl. Angl. (Hudson) (ed. 2) 1: 57. 1778 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum marinum Huds. -- Fl. Angl. (Hudson) (ed. 2) 1 1778 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum marinum Huds. var. gussoneanum (Parl.) Täckh. & G.Täckh. -- Fl. Egypt [Täckholm] 1: 277. 1941

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum marinum Huds. subsp. gussoneanum (Parl.) Thell. -- Vierteljahrsschr. Naturf. Ges. Zürich 52:441. 1908

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum marinum Huds. subsp. gussoneanum (Parl.) Anghel & Velican -- Fl. Republ. Socialist. Romania 12: 591. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum marinum Huds. var. patagonicum Hauman -- Anales Mus. Nac. Hist. Nat. Buenos Aires 28: 288. 1916 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum maritimum Stokes -- A Botanical Arrangement of British Plants ed. 2 1787 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum maritimum Stokes -- Bot. Arr. Brit. Pl., ed. 2. 1: 127 (1787). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum maritimum O.F.Müll. -- Fl. Dan. [Oeder] 4(11): 5, t. 630. 1775 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum maritimum Roth -- Tent. Fl. Germ. 2(1): 150. 1789 [Apr 1789] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum maritimum With. -- Bot. Arr. Veg. Gr. Brit. 172. 1776 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum maritimum With. subsp. gussoneanum (Parl.) K.Richt. -- Pl. Eur. 1: 131. 1890

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum maritimum With. var. incertum Maire -- Bull. Soc. Hist. Nat. Afrique N. 33(4): 101 (-102). 1942 [Apr 1942]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum maritimum var. patagonicum Hauman -- Anales Mus. Nac. Hist. Nat. Buenos Aires 28: 288. 1916 tab. 12 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum maximum Vill. -- Fl. Delphin. 10. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum michalkowi R.E.Regel -- Bull. Applied Bot. 1914, vii. 785, in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum microcladum Gand. -- Oesterr. Bot. Z. 31: 46. 1881 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum montanense Scribn. ex Beal -- Grasses N. Amer. [Beal] ii. 644 (1896). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum montanense Scribn. in Beal -- Grasses N. Amer. [Beal] 2: 644. 1896 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum montanum Schrank -- Baier. Fl. i. 386. 1789 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum monticola R.E.Regel -- Bull. Applied Bot. 1915, viii. 518. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum murinum L. -- Sp. Pl. 1: 85. 1753 [1 May 1753] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum murinum L. -- Species Plantarum 2 1753 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum murinum L. var. chilense Brongn. -- Voy. Monde, Phan. 56. 1831 [1829 publ. Jan 1831] as key ingredient in indigenous anti-cancer

Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum murinum L. subsp. glaucum (Steud.) Tzvelev -- Novosti Sist. Vyssh. Rast. 8: 67. 1971 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum murinum L. var. hrasdanicum (Gandilyan) Trofim. -- Kul't. Fl. SSSR 2: 124. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum murinum L. subsp. montanum (Hack.) H.Scholz & Raus -- Feddes Repert. 108(7-8): 530. 1997 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum murinum L. subsp. setariurum H.Scholz & Raus -- Feddes Repert. 108(7-8): 528. 1997 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum murinum var. velutina Speg. -- Revista Fac. Agron. Univ. Nac. La Plata 3: 588. 1897 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum mustersii Nicora -- Hickenia 1: [113-] (114), fig. 1977 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum mustersii Nicora -- Hickenia 1(20): [113-] (114), fig. 1977 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum muticum J.Presl var. superatum (Hack.) Thell. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum muticum J.Presl subvar. tenuispicatum Thell. -- Fl. Advent. Montpellier 159. 1912 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum muticum J.Presl subvar. tenuispicatum (Hack. & Stuck.) Thell. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum neglectum Gand. -- Oesterr. Bot. Z. 31: 47. 1881 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nekludowi R.E.Regel -- Bull. Applied Bot. 1915, viii. 336, in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nepalense Sweet -- Hort. Brit. [Sweet] 444. 1826 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nevskianum Bowden -- Canad. J. Genet. Cytol. vii. 396 (1965). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nigrum Willd. -- Enum. Pl. [Willdenow] 2: 1037. 1809 [Jun 1809] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nodosum M.Bieb. -- Fl. Taur.-Caucas. 1: 82. 1808 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nodosum L. -- Species Plantarum ed. 2 1763 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nodosum Ucria -- Hort. Reg. Panorm. 64; Savi, Due Cent. ii. 37. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nodosum L. -- Sp. Pl., ed. 2. 1: 126. 1762 [Sep 1762] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nodosum var. boreale (Scribn. & Sm.) Hitchc. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nodosum var. boreale Hitchc. -- Amer. J. Bot. 21: 134. 1934 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nodosum var. depressum Scribn. & J.G.Sm. -- Bull. Div. Agrostol. U.S.D.A. 4: 24. 1897 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nodosum var. parviflorum Henrard & Thell. -- Meded. Rijks-Herb. 40: 75. 1921 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nodosum var. parviflorum (Hack.) Henrard & Thell. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nudideficiens R.E.Regel -- Bull. Applied Bot. 1915, viii. 519. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nudum Ard. ex Schult. -- Mant. 2 (Schultes) 437. 1824 [Jan-Apr 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nudum R.E.Regel -- Bull. Applied Bot. 1915, viii. 519. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum nudum Ard. ex Schult. -- Mant. 2 (Schultes) 437. 1824 [Jan-Apr 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pamiricum Vavilov -- Trudy Prikl. Bot. Selekts. Supp. (Prilozh.) 22: 38, 41. 1922 in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pammelii Scribn. & Ball -- Iowa Geol. Surv. Suppl. Rep. 1903: 335, fig. 237. 1904 as key ingredient in indigenous anti-cancer Herbal

Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pampeanum (Hauman) Herter -- Revista Sudamer. Bot. 6: 147. 1940 ; cf. Gray Herb. Card Cat. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pampeanum (Hauman) Herter -- Revista Sudamer. Bot. 6: 147. 1940 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum parodii Covas -- Revista Argent. Agron. xviii. 74 (1951). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum parodii Covas -- Revista Argent. Agron. 18: 74, fig. 1. 1951 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum parodii Covas -- Revista Argent. Agron. 18: 74, fig. 1951 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum parodii Covas var. araucanum Parodi & Nicora -- Hickenia 1(11): 59 (-61), fig. 2B. 1977 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum parodii Covas var. araucanum Parodi & Nicora -- Hickenia 1(11): 59. 1977 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum parvum R.E.Regel -- Bull. Applied Bot. 1915, viii. 520. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum patagonicum (Hauman) Covas -- Revista Argent. Agron. 20: 63. 1953 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum patagonicum (Hauman) Covas -- Revista Argent. Agron. xx. 63 (1953). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum patagonicum (Hauman) Covas subsp. magellanicum (Parodi & Nicora) Bothmer, Giles & N.Jacobsen -- Bot. Jahrb. Syst. 109(3): 380. 1988 [30 Mar 1988] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum patagonicum (Hauman) Covas subsp. magellanicum (Parodi & Nicora) Bothmer, Giles & N.Jacobsen -- Bot. Jahrb. Syst. 109(3): 380. 1988 [30 Mar 1988] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum patagonicum (Hauman) Covas subsp. mustersii (Nicora) Bothmer, Giles & N.Jacobsen -- Bot. Jahrb. Syst. 109(3): 378. 1988 [30 Mar 1988] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum patagonicum (Hauman) Covas subsp. mustersii (Nicora) Bothmer, Giles & N.Jacobsen -- Bot. Jahrb. Syst. 109(3): 378. 1988 [30 Mar 1988] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum patagonicum (Hauman) Covas subsp. santacrucense (Parodi & Nicora) Bothmer, Giles & N.Jacobsen -- Bot. Jahrb. Syst. 109(3): 378. 1988 [30 Mar 1988] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum patagonicum (Hauman) Covas subsp. santacrucense (Parodi & Nicora) Bothmer, Giles & N.Jacobsen -- Bot. Jahrb. Syst. 109(3): 378. 1988 [30 Mar 1988] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum patagonicum (Hauman) Covas subsp. setifolium (Parodi & Nicora) Bothmer, Giles & N.Jacobsen -- Bot. Jahrb. Syst. 109(3): 376. 1988 [30 Mar 1988] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum patagonicum (Hauman) Covas subsp. setifolium (Parodi & Nicora) Bothmer, Giles & N.Jacobsen -- Bot. Jahrb. Syst. 109(3): 376. 1988 [30 Mar 1988] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum patulum Moench -- Methodus (Moench) 199. 1794 [4 May 1794] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pavisi Preaubert -- Bull. Soc. Études Sci. Angers 1904, 54, 55; Rouy, Fl. France, xiv. 349 (1913),hybr. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pensanum R.E.Regel -- Bull. Applied Bot. 1914, vii. 794. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum perversum Forssk. -- Fl. Aegypt.-Arab. p. xix. 1775 [1 Oct 1775] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pilosum Steud. -- Syn. Pl. Glumac. 1(4-5): 353. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum plumosum Gilib. -- Exerc. Phyt. 2: 520. 1792 ; nom. inval. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum polystichon Hall.f. -- Nov. Comm. Gotting. vi. (1776) 5. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum praecocius R.E.Regel -- Bull. Applied Bot. 1915, viii. 342, in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum praecox R.E.Regel -- Bull. Applied Bot. 1914, vii. 784, in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pratense Huds. -- Fl. Angl. (Hudson) (ed. 2) 1: 56. 1778 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pratense [infrasp.unranked] brongniartii Macloskie as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pratense var. brongniartii Macloskie as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pratense var. brongniartii Macloskie -- Rep. Princeton Univ. Exped. Patagonia, Botany 8: 251. 1904 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine

Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pratense var. chilense (Brongn.) Macloskie as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum princeps R.E.Regel -- Bull. Applied Bot. 1915, viii. 518. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum procerum Nevski -- Trudy Bot. Inst. Akad. Nauk S.S.S.R., Ser. 1, Fl. Sist. Vyssh. Rast. 5: 148 (1941). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum proskowetzii Náběl -- Spisy Přír. Fak. Masarykovy Univ. 111: 32, in syn. 1929 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pseudomurinum Tapp. ex W.D.J.Koch -- Syn. Fl. Germ. Helv., ed. 2. 955. 1844 [Nov 1844] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pubescens Guss. -- Fl. Sicul. Prodr. 1: 144. 1827 [Oct-Dec 1827] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pubiflorum Hook.f. in Hook. -- Bot. Antarct. Voy. I. (Fl. Antarct.). 2: 388. 1847 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pubiflorum Hook.f. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pubiflorum Hook.f. -- Bot. Antarct. Voy. I. (Fl. Antarct.). 2: 388. 1847 [ante 1 Jan 1847] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pubiflorum Hook.f. in Hook. var. blomii (Thell.) Meld. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pubiflorum Hook.f. var. blomii (Thell.) Melderis -- Bot. Not. 1953: 359. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pubiflorum Hook.f. subsp. breviaristatum (Parodi & Nicora) Baden -- Nordic J. Bot. 16(3): 236. 1997 [1996 publ. 1997] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pubiflorum Hook.f. var. glabrum Melderis -- Bot. Not. 1953: 359. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pubiflorum Hook.f. subsp. halophilum (Griseb.) Baden & Bothmer -- Nordic J. Bot. 14(2): 124 (1994):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pubiflorum Hook.f. in Hook. var. intermedium (Hauman) Melderis -- Bot. Not. 1953: 359. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pubiflorum Hook.f. in Hook. var. intermedium (Hauman) Meld. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pubiflorum Hook.f. in Hook. f. intermedium (Hauman) Probst. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pubiflorum Hook.f. in Hook. f. intermedium Probst -- Mitt. Naturf. Ges. Solothurn 8: 53. 1928 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pubiflorum Hook.f. in Hook. var. pampeanum (Hauman) Melderis -- Bot. Not. 1953: 359. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera

(Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum purpurascens Gand. -- Oesterr. Bot. Z. 31: 46. 1881 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pusillum Nutt. -- Gen. N. Amer. Pl. [Nuttall]. 1: 87 (-88). 1818 [14 Jul 1818] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pusillum Nutt. -- Gen. N. Amer. Pl. [Nuttall]. 1: 87. 1818 [14 Jul 1818] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pusillum var. dentatum Hauman -- Anales Mus. Nac. Hist. Nat. Buenos Aires 28: 295. 1916 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pusillum var. euclaston Hauman -- Anales Mus. Nac. Hist. Nat. Buenos Aires 28: 266. 1916 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pusillum Nutt. subsp. euclaston (Steud.) Covas as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum pusillum Nutt. var. euclaston (Steud.) Hauman as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. [Persoon] 1: 108. 1805 [1 Apr-15 Jun 1805] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum scabriusculum R.E.Regel -- Bull. Applied Bot. 1914. vii. 785, in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum scandinavicum R.E.Regel -- Bull. Applied Bot. 1915, viii. 518. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum Savi -- Fl. Pis. i. 145. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum Schreb. -- Spicil. Fl. Lips. 148. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum Guss. -- Pl. Rar. 57, 58. t. 11. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum Schreb. -- Spicilegium Florae Lipsicae 1771 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it

Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum var. andicola Hauman -- Anales Mus. Nac. Hist. Nat. Buenos Aires 28: 301, 304, pl. 13. 1916 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum var. andicola (Griseb.) Hauman as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum var. chilense (Brongn.) Desv. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum var. chilense É.Desv. in Gay -- Fl. Chil. [Gay] 6: 458. 1854 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum [infrasp.unranked] chilense Brongn. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum f. intermedium Hauman as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum f. intermedium Hauman -- Anales Mus. Nac. Hist. Nat. Buenos Aires 28: 307. 1916 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum f. latifolia Kurtz -- Bot. Jahrb. Syst. 19(4): 424. 1894 [28 Dec 1894] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum var. normale Kuntze -- Revis. Gen. Pl. 3[3]: 355. 1898 [28 Sep 1898] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum var. parviflorum Hack. -- Anales Mus. Nac. Buenos Aires ser. 3, 6: 533. 1906 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum var. puberulum Kuntze -- Revis. Gen. Pl. 3[3]: 355. 1898 [28 Sep 1898] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum var. pubiflorum Hauman -- Anales Mus. Nac. Hist. Nat. Buenos Aires 28: 300, 306, pl. 13. 1916 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum var. pubiflorum (Hook.f.) Hauman as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum f. pusillum Hauman -- Anales Mus. Nac. Hist. Nat. Buenos Aires 28: 305. 1916 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum var. scabriusculum Kuntze -- Revis. Gen. Pl. 3[3]: 355. 1898 [28 Sep 1898] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum secalinum var. typicum Hauman -- Anales Mus. Nac. Hist. Nat. Buenos Aires 28: 266, 300, 302. 1916 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum septentrionale R.E.Regel -- Bull. Applied Bot. 1915, viii. 337, in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum setifolium Parodi & Nicora -- Hickenia 1: 59, fig. 1977 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum setifolium Parodi & Nicora -- Hickenia 1(11): 59. 1977 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia

cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum setifolium Parodi & Nicora -- Hickenia 1 (11): 59, fig. 2A. 1977 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum sibiricum Roshev. -- Izv. Glavn. Bot. Sada S.S.S.R. 28: 385. 1929 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum sibiricum (L.) M.Schenck -- Bot. Jahrb. Syst. 40(1): 109, in clavi. 1907 [21 May 1907] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum sibiricum Link ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 775. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum sieberianum Besser ex Schult. -- Mant. 3 (Schultes & Schultes f.) 662. 1827 [Jul-Dec 1827] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum spontaneum K.Koch -- Linnaea 21: 430. 1848 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum spontaneum K.Koch var. anatolicum Cabi & Doğan -- Ot Sist. Bot. Dergisi 19(2): 61. 2012 [31 Dec 2012]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum spontaneum K.Koch var. turcomanicum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 93. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum stassewitschi R.E.Regel -- Bull. Applied Bot. 1915, viii. 519. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum stebbinsii Covas -- Madroño 10: 17, fig. 6, 8, 12 left & 13. 1949 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum stebbinsii Covas -- Madroño 10: 17. 1949 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum stenostachys Godr. -- Mém. Sect. Med. Acad. Sci. Montpellier 1: 455. 1853 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum stenostachys Godr. -- Mem. Acad. Montp. (Sect. Medic.) i. (1853) 455. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum stenostachys Godr. -- Mém. Sect. Med. Acad. Sci. Montpellier 1: 455. 1853 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum utriculatum Bertero -- Mercurio Chileno 14: 648. 1829 [15 May 1829] ; nom. inval. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vaginatum K.Koch -- Linnaea 21: 433. 1848 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum valdiviae (Steud.) M.Schenck -- Bot. Jahrb. Syst. 40(1): 109, in clavi. 1907 [21 May 1907] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum villosum Steud. -- Syn. Pl. Glumac. 1(4-5): 352. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum villosum (Muehl. ex Willd.) M.Schenck -- Bot. Jahrb. Syst. 40(1): 109, in clavi. 1907 [21 May 1907] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum villosum Moench -- Methodus (Moench) 199. 1794 [4 May 1794] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vilmorianum R.E.Regel -- Bull. Applied Bot. 1915, viii. 519. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum violaceum Boiss. & Hohen. -- Diagn. Pl. Orient. ser. 1, 13: 70. 1854 [May 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum violaceum R.E.Regel -- Bull. Applied Bot. 1915, viii. 520. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum virginicum (L.) M.Schenck -- Bot. Jahrb. Syst. 40(1): 109, in clavi. 1907 [21 May 1907] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum volhynicum R.E.Regel -- Bull. Applied Bot. 1915, viii. 518. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. -- Sp. Pl. 1: 84. 1753 [1 May 1753] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. -- Species Plantarum 2 1753 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. abdulbasirovii Omarov -- Trudy Prikl. Bot. Genet. Selek. 95: 57 (1985), as 'abdulbasirovi'. as key ingredient in

indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. addis-abebae Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 44. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. subsp. aegiceras (Nees ex Royle) Á.Löve -- Feddes Repert. 95(7-8): 435. 1984 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. africanum Vavilov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 63. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. subsp. agriocrithon (Åberg) Á.Löve -- Feddes Repert. 95(7-8): 435. 1984 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. ancoberense Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 45. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. atratum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 28. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. bachteevii Omarov -- Trudy Prikl. Bot. Genet. Selek. 95: 57 (1985), as 'bachteevi'. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. breviaristatum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 29. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. brevispicatum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 29. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. brunneinudum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 82. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. chalunicum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 46. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. chinense Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 29. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. colonicum Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 82. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare var. corticatum Döll -- Fl. Bras. (Martius) 2(3): 231. 1880 [1 Dec 1880] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. daghestanicum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 83. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. subsp. deficiens (Steud.) Á.Löve -- Feddes Repert. 95(7-8): 435. 1984 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare var. distichon (L.) Hook.f. -- The Flora of British India 7 1896 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare subsp. distichon (L.) Korn. -- Zeit. Ges. Brauw. 5 1882 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. euryhypatherum Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 31. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. glabribrevisetum Regel ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 48. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. glabrideficiens Vavilov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 68. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. glabrierectum Vavilov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 68. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. glabrigracilius Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 31. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. glabrispicatum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 68. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. glabriviride Trofim. -- Byull. Vsesoyuzn. Nauchno-Issl. Inst. Zashch. Rast. 18: 19. 1971 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine

Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. gobicum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 48. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. griseinigrum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 49. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. griseinudum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 85. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. hadaka Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 49. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. hangaicum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 49. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. harlanii Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 32. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. f. hexastichon (L.) M.Hiroe -- Pl. Basho Buson Hokku Lit. 8(2): 130. 1973 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare var. hexastichum (L.) Asch. -- Flora der Provinz Brandenburg 1 1860 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. hypatherum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 34. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. ibericum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 34. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. insularum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 86. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. interpallidum Trofim. -- Kul't. Fl. SSSR 2: 34. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. ismailii Omarov -- Byull. Vsesoyuzn. Nauchno-Issl. Inst. Zashch. Rast. 81: 40. 1978 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. japonicum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 35. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. kobdicum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 50. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. latibrevisetum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 50. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. latinudipyramidatum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 50. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. latirevelatum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 52. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. leioheterolepis Vavilov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 70. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. lukyanovae Omarov -- Trudy Prikl. Bot. Genet. Selek. 95: 57 (1985). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. lvovii Omarov -- Trudy Prikl. Bot. Genet. Selek. 95: 57 (1985), as 'lvovi'. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. micrurum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 52. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. mongolicum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 52. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. multispiculum Trofim. -- Byull. Vses. Ord. Lenina Inst. Rast. N.I. Vavilova 18: 19. 1971 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. nanum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 53. 1990

Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. sessilifurcatum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 55. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. sinicum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 39. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. sinojaponicum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 56. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. solitarum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 88. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. suberectum Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 76. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. subneogenes Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 89. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. subnudipiramidatum Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 57. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. subnudum Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 89. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. subnutans Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 77. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. subpyramidatum Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 40. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. subzeocrithon Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 77. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. syriacum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 77. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. tetranutans Trofim. & Lukyanova -- Kul't. Fl. SSSR 2: 78. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. tetrapallidum Trofim. & Lukyanova -- Kul't. Fl. SSSR 2: 40. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. tibetanum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 58. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. trofimovskajae Omarov -- Byull. Vsesoyuzn. Nauchno-Issl. Inst. Zashch. Rast. 81: 39. 1978 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. uljassutaicum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 58. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. urgaicum Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 59. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. valentinae Omarov -- Trudy Prikl. Bot. Genet. Selek. 95: 58 (1985). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. viride Vavilov & Orlov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 90. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. zeocrithideficiens Vavilov ex Lukyanova, Trofim., G.N.Gudkova, Terentyeva & Yarosh -- Kul't. Fl. SSSR 2: 79. 1990

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum vulgare L. var. zuleichatae Omarov -- Byull. Vsesoyuzn. Nauchno-Issl. Inst. Zashch. Rast. 81: 40. 1978 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum walpersii R.E.Regel -- Bull. Applied Bot. 1915, viii. 520. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum werneri R.E.Regel -- Bull. Applied Bot. 1914, vii. 794. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum winkleri Hack. -- Oesterr. Bot. Z. 27: 49. 1877 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum wolgense R.E.Regel -- Bull. Applied Bot. 1915, viii. 342, in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hordeum zeocriton L. -- Sp. Pl. 1: 85. 1753 [1 May 1753] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hubbardia Bor -- Kew Bull. 5(3): 385. 1951 [1950 publ. 6 Feb. 1951] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hubbardia diandra Chandore, Gosavi & S.R.Yadav -- Kew Bull. 67(3): 533. 2012 [22 May 2012] [epublished]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hubbardia heptaneuron Bor -- Kew Bull. 5(3): 385. 1951 [1950 publ. 6 Feb. 1951] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hubbardochloa Auquier -- Bull. Jard. Bot. Natl. Belg. 50(1-2): 241. 1980 [30 Jun 1980] as key ingredient in indigenous anti-cancer Herbal

Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hubbardochloa gracilis Auquier -- Bull. Jard. Bot. Natl. Belg. 50(1-2): 242. 1980 [30 Jun 1980] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Humbertochloa A.Camus & Stapf -- Bull. Soc. Bot. France 81: 467. 1934 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Humbertochloa bambusiuscula A.Camus & Stapf -- Bull. Soc. Bot. France 81: 470. 1934 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Humbertochloa greenwayi C.E.Hubb. -- Hooker's Icon. Pl. 34: t. 3387. 1939 [Mar 1939] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyalopoa (Tzvelev) Tzvelev -- Bot. Journ., URSS 1. 1320 (1965), in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyalopoa czirahica Husseinov -- Bot. Zhurn. (Moscow & Leningrad) 73(12): 1743. 1988 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyalopoa hracziana Gabrieljan & Tzvelev -- Bot. Zhurn. (Moscow & Leningrad) 91(7): 1088 (1087-1091; figs. 1-2). 2006 [26 Jul 2006]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyalopoa ivanoviae (Malyschev) Czerep. -- Sosud. Rast. SSSR 363 (1981):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyalopoa lakia (Woronow) Tzvelev -- Novosti Sist. Vyssh. Rast. 1966, 32 (1966). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyalopoa lanatiflora (Roshev.) Tzvelev -- Novosti Sist. Vyssh. Rast. 1966, 32 (1966). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyalopoa lanatiflora (Roshev.) Tzvelev subsp. ivanoviae (Malysch.) Tzvelev -- Zlaki SSSR 485. 1976 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyalopoa momica (Tzvelev) Czerep. -- Sosud. Rast. SSSR 363 (1981):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyalopoa nutans (Stapf) Alexeev ex Cope -- Fl. Pakistan 143: 423 (1982):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyalopoa nutans (Griseb.) Tzvelev -- Novosti Sist. Vyssh. Rast. 33 (1966). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyalopoa pontica (Balansa) Tzvelev -- Bot. Journ., URSS 1. 1320 (1965), in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyalopoa zarubinii Enustsch. & Schumkin -- Bot. Zhurn. (Moscow & Leningrad) 93(8): 1269 (-1271; figs. 1-2). 2008 [29 Aug 2008]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa Hartin. -- Gram. Skand. 8 (1819). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa P.Beauv. -- Ess. Agrostogr. 135. t. 24. f. 4 (1812). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa airoides Hartm. -- Gram. Skand. 8 (1819). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa aquatica Hartm. -- Gram. Skand. 8 (1819). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa arundinacea Sweet -- Hort. Brit. [Sweet] 453. 1826 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa capillaris (Lilj.) Hartm. -- Gram. Scand. 8 (1819). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa carolinensis Beauverd as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa carolinensis P.Beauv. -- Ess. Agrostogr. 135. t. 24. f. 4 (1812). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa carolinensis var. oconnorii R.Guzmán -- Phytologia 48: 77 (-80). 1981 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa caroliniensis P.Beauv. -- 135, 165, 182. 1812 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa caroliniensis P.Beauv. var. oconneri R.Guzmán -- Phytologia 48: 77 (-80). 1981 as key ingredient in indigenous anti-cancer

Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa caroliniensis var. oconneri R.Guzmán -- Phytologia 48(1): 77 (1981). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa coerulea Hartm. -- Gram. Skand. 8. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa distans Hartm. -- Gram. Skand. 8. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa fluitans Nash -- Bull. Torrey Bot. Club 23(3): 98. 1896 [29 Mar 1896] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa fluitans (Michx.) Torr. -- Comp. Fl. N. Middle Stat. 354, 403. 1826 [post 16 Sep 1826] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa fluitans Hartm. -- Gram. Skand. 8. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrochloa maritima Hartm. -- Gram. Skand. 8. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydropoa (Dumort.) Dumort. -- Bull. Soc. Roy. Bot. Belgique vii. 67 (1868). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydropoa nervata (Willd.) Dumort. -- Bull. Soc. Roy. Bot. Belgique vii. 67 (1868), in adnot. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydropoa remota (Fr.) Dumort. -- Bull. Soc. Roy. Bot. Belgique vii. 67 (1868), in adnot. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydropoa spectabilis (Mert. & W.D.J.Koch) Dumort. -- Bull. Soc. Roy. Bot. Belgique vii. 67 (1868), in adnot. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydropyrum Link -- Hort. Berol. [Link] 1: 252. 1827 [1 Oct-27 Nov 1827] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydropyrum esculentum Link -- Hort. Berol. [Link] 1: 252. 1827 [1 Oct-27 Nov 1827] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydropyrum fluitans (Michx.) Kunth -- Révis. Gramin. 1: 7. 1829 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydropyrum fluitans Kunth -- Révis. Gramin. i. 7. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydropyrum latifolium Griseb. -- Fl. Ross. (Ledeb.) 4(14): 466. 1853 [Jun 1853] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrothauma C.E.Hubb. -- Hooker's Icon. Pl. 35: t. 3458. 1947 [Nov 1947] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hydrothauma manicatum C.E.Hubb. -- Hooker's Icon. Pl. 35: t. 3458. 1947 [Nov 1947] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hygrochloa Lazarides -- Brunonia 1979 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hygrochloa Lazarides -- Brunonia 2(1): 86. 1979 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hygrochloa aquatica Lazarides -- Brunonia 2(1): 87. 1979 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hygrochloa aquatica Lazarides -- Brunonia 1979 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hygrochloa cravenii Lazarides -- Brunonia 1979 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hygrochloa cravenii Lazarides -- Brunonia 2(1): 89. 1979 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hygrorhiza Benth. -- J. Linn. Soc., Bot. 19: 55. 1881 [1882 publ. 1881] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hygroryza Nees -- in Edinb. N. Phil. Journ. xv. (Apr.-Oct. 1833) 380. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hygroryza aristata Nees -- in Edinb. N. Phil. Journ. xv. (Apr.-Oct. 1833) 380. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hygroryza ciliata Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 783. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hylebates Chippind. -- J. S. African Bot. xi. 127 (1945). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hylebates chlorochloe (K.Schum.) Napper -- Kirkia 3: 130. 1963 [Jan 1963] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hylebates cordatus Chippind. -- J. S. African Bot. xi. 128 (1945). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne P.Beauv. -- Ess. Agrostogr. 48 (148, 165). 1812 [Dec 1812] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne P.Beauv. -- Ess. Agrostogr. 48. t. 10. f. 8 (1812). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne P.Beauv. -- Essai d'une Nouvelle Agrostographiae 1812 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne acutigluma Gilliland -- Gardens' Bulletin, Singapore 20 1964 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne acutigluma (Steud.) Gilliland -- Gard. Bull. Singapore 20: 314. 1964 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne amplexicaulis Nees -- Fl. Bras. Enum. Pl. 2(1): 276. 1829 [Mar-Jun 1829] ; alt. title: Agrost. Bras. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne amplexicaulis (Rudge) Nees -- - = Agrostologia Brasiliensis] (Mar.-Jun. 1829) 276. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne assamica (Hook.f.) Hitchc. -- Lingnan Sci. J. 7: 222. 1931 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne auriculata Chase -- Proc. Biol. Soc. Washington 21: 5. 1908 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne auriculata Chase -- Proc. Biol. Soc. Washington xxi. 5 (1908). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne aurita Backer -- in K. Heyne, Nutt. Pl. Ned.-Ind. ed. 2 197 (1922). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne boiviniana Steud. -- Syn. Pl. Glumac. 1(6): 419. 1854 [1855 publ. 28-29 Nov 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne × calamitosa J.R.Clarkson -- Telopea 13(1-2): 112 (-113; fig. 1). 2011 [16 Feb 2011]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne campestris Nees as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne campestris Nees as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne campestris Nees -- Fl. Bras. Enum. Pl. 2(1): 273, 274. 1829 [Mar-Jun 1829] ; alt. title: Agrost. Bras. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne camporum Kunth -- Enum. Pl. [Kunth] 1: 88. 1833 [Jul-Aug 1833] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne condensata Chase -- J. Wash. Acad. Sci. 1923, xiii. 177, in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne condensata Chase -- J. Wash. Acad. Sci. 13: 177. 1923 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne cordata Kuhlm. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne cordata Kuhlm. -- Relat. Commiss. Linhas Telegr. Estratég. Matto Grosso Amazonas Annexo 5, Bot. xi. 90 (1922). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne cordata (Döll) Kuhlm. -- Relat. Commiss. Linhas Telegr. Estratég. Matto Grosso Amazonas [Publ. 67], Annexo 5, Bot. pt. 11: 90. 1922 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne donacifolia Chase -- J. Wash. Acad. Sci. 13: 177. 1923 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne donacifolia Chase -- J. Wash. Acad. Sci. 1923, xiii. 177, in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne felliana (B.K.Simon) Zuloaga -- Pl. Syst. Evol. 300(10): 2164. 2014 [29 Mar 2014] [epublished]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne fluviatilis Nees as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for

Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne fluviatilis Nees -- Fl. Bras. Enum. Pl. 2(1): 273. 1829 [Mar-Jun 1829] ; alt. title: Agrost. Bras. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne frondescens (G.Mey.) E.Fourn. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne frondescens E.Fourn. ex Hemsl. -- Biol. Cent.-Amer., Bot. iii. 496. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne frondescens E.Fourn. & E.Fourn. -- Mexic. Pl. 36. 1886 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne gouinii E.Fourn. & E.Fourn. -- Mexic. Pl. 36, descr. 1886 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne gouinii E.Fourn. ex Hemsl. -- Biol. Cent.-Amer., Bot. iii. 492 (Quid ?). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne grumosa (Nees) Zuloaga -- Amer. J. Bot. 90(5): 817 (2003). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne hemitomon (Schult.) C.C.Hsu -- J. Fac. Sci. Univ. Tokyo, Sect. 3, Bot. ix. 90 (1965). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne indica Buse -- Pl. Jungh. [Miquel] 3: 377. 1854 [Aug 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne insulicola (Steud.) L.Liu -- Fl. Reipubl. Popularis Sin. 10(1): 298 (1990):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne interrupta Buse -- Pl. Jungh. [Miquel] 3: 377. 1854 [Aug 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne interrupta Buse -- Pl. Jungh. [Miquel] 3: 377. 1854 [Aug 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne interrupta Steud. -- Syn. Pl. Glumac. 1(2): 101, (an H. interrupta Buese?). 1854 [1855 publ. 2-3 Mar 1854] as key ingredient in

indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne leptostachya (J.Presl) E.Fourn. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne leptostachya E.Fourn. ex Hemsl. -- Biol. Cent.-Amer., Bot. iii. 490. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne montana Griseb. -- Abh. Königl. Ges. Wiss. Göttingen 24: 307. 1879 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne montana Griseb. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne myosurus Nees -- Fl. Bras. Enum. Pl. 2(1): 276. 1829 [Mar-Jun 1829] ; alt. title: Agrost. Bras. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne myuros (Lam.) P.Beauv. -- Ess. Agrostogr. 165 (49). 1812 [Dec 1812] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne myuros (Lam.) P.Beauv. -- Ess. Agrostogr. 165 (49). 1812 [Dec 1812] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne palustris Chase -- Proc. Biol. Soc. Washington 21: 5. 1908 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne palustris Chase -- Proc. Biol. Soc. Washington xxi. 5 (1908). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne panduranganii J.Remya & Geethakum. -- Nordic J. Bot. 35(2): 201. 2016 [2017 publ. 8 Jul 2016] [epublished]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne patens L.Liu -- Bot. Res. Academia Sinica 4: 35. 1989 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne patula E.Fourn. ex Hemsl. -- Biol. Cent.-Amer., Bot. iii. 492 (Quid ?). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne patula E.Fourn. & E.Fourn. -- Mexic. Pl. 37, descr. 1886 as key ingredient in indigenous anti-cancer Herbal Formulations after

enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne pernambucensis (Spreng.) Zuloaga -- Amer. J. Bot. 90(5): 817 (2003). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne phalarioides Nees -- Fl. Bras. Enum. Pl. 2(1): 276. 1829 [Mar-Jun 1829] ; alt. title: Agrost. Bras. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hymenachne phalarioides Nees -- Fl. Bras. Enum. Pl. 2(1): 276. 1829 [Mar-Jun 1829] ; alt. title: Agrost. Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia arrhenobasis Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 348. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia aucta (Stapf) Stent -- Bothalia 1 1924 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia aucta Stapf ex Stent -- Bothalia i. 249 (1924). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it

Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia baddadae Chiov. -- Fl. Somala 2: 440. 1932 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia bagirmica Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 319. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia barteri Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 321. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia bequaertii Robyns -- Fl. Agrost. Congo Belge 197 (1929). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia bisulcata Chiov. -- Nuovo Giorn. Bot. Ital. 1919, n. s. xxvi. 60. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia brachychaete Peter -- Repert. Spec. Nov. Regni Veg. Beih. 40(1): 376, in clavi, germanice; et in Repert. Spec. Nov. Regni Veg. Beih., 40(1, Anhang): 121 (1936), latine. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia bracteata (Humb. & Bonpl. ex Willd.) Stapf in Prain -- Fl. Trop. Afr. [Oliver et al.] 9(2): 360. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia bracteata (Humb. & Bonpl. ex Willd.) Stapf as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia bracteata Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 360. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia buchananii Stapf ex Stent -- Bothalia i. 249 (1924). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia chrysargyrea Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 312. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia cirrosula Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 365. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia claessensii Robyns -- Fl. Agrost. Congo Belge 180 (1929); Robyns in Bull. Jard. Bot. Brux. viii. 236(1930). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia claytonii S.M.Phillips -- Kew Bull. 49(3): 540. 1994 [22 Sep 1994] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia coleotricha Andersson -- in Schweinf. Beitr. Fl. Aethiop. 300. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia coleotricha Andersson ex W.D.Clayt. -- Kew Bull., Addit. Ser. 2: 136. 1969 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia collina Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 337. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia comosa Andersson -- in Schweinf. Beitr. Fl. Aethiop. 300. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia confinis Andersson -- in Schweinf. Beitr. Fl. Aethiop. 300. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia contracta Robyns -- Fl. Agrost. Congo Belge 189 (1929); Robyns in Bull. Jard. Bot. Brux. viii. 241(1930). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia coriacea M.Mazade -- Adansonia sér. 2, 18(1): 147. 1978 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia coriacea M.Mazade var. sericea M.Mazade -- Adansonia sér. 2, 18(1): 148. 1978 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia cornucopiae Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 378. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia cyanescens Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 351. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia cymbaria Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 332. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia dichroa Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 302. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia diplandra (Hack.) Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 368. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia diplandra (Hack.) Stapf var. mutica (Clayton) Cope -- Fl. Zambes. 10(4): 132 (2002). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia dissoluta (Nees ex Steud.) C.E.Hubb. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia dissoluta Andersson -- Nova Acta Regiae Soc. Sci. Upsal. Ser. III, ii. (1855) 254. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia dissoluta (Nees ex Steud.) C.E.Hubb. ex Hutch. & Dalziel -- Fl. W. Trop. Afr. [Hutchinson & Dalziel] ii. 589, in clavi, 591 (1936). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia djalonica Jacq.-Fél. -- Journ. Agric. Trop. & Bot. Appliq. i. 51 (1954). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia dregeana Stapf ex Stent -- Bothalia i. 249 (1924). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia dybowskii (Franch.) Roberty -- Boissiera 9: 107. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia eberhardtii (A.Camus) Hitchc. -- Lingnan Sci. J. 7: 247. 1931 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia edulis C.E.Hubb. -- Hooker's Icon. Pl. 35: t. 3495 A & B. 1950 [Dec 1950] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia effusa (Balansa) A.Camus -- Bull. Mus. Natl. Hist. Nat. 1931, Ser. II. iii. 760. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia effusa (Balansa) Roberty -- Boissiera 9: 113. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its

compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia elongata Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 343. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia exarmata Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 308. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia eylesii C.E.Hubb. -- Bull. Misc. Inform. Kew 1928(1): 37. [18 Jan 1928] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia familiaris Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 325. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia fastigiata Robyns -- Fl. Agrost. Congo Belge 164 (1929); Robyns in Bull. Jard. Bot. Brux. viii. 231(1930). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia figariana (Chiov.) Clayton -- Kew Bull., Addit. Ser. 2: 94. 1969 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia filipendula (Krauss) Stapf -- Flora of Tropical Africa 9 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia filipendula Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 322. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia filipendula var. filipendula (Hochst.) Stapf -- Flora of Tropical Africa 9 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia filipendula var. lachnathera (Benth.) Jansen -- Acta Botanica Neerlandica 2 1953 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia filipendula var. pilosa (Hochst.) Stapf -- Flora of Tropical Africa 9 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia finitima Andersson -- in Schweinf. Beitr. Fl. Aethiop. 300. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia finitima Andersson -- in Schweinf. Beitr. Fl. Aethiop. 300. as key ingredient in indigenous anti-cancer Herbal Formulations after

enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia finitima Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 299. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia foliosa (Kunth) E.Fourn. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia foliosa Andersson -- Nova Acta Regiae Soc. Sci. Upsal. Ser. III, ii. (1855) 254. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia foliosa Andersson ex E.Fourn. -- Mexic. Pl. Pt. 2, Gramin. (Miss. Sci. Mex. & Amer. Centr. Recherch. Bot.) 67(1886). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia formosa Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 340. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia formosa Stapf -- Flora of Tropical Africa 9 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia fulvicoma Andersson -- in Schweinf. Beitr. Fl. Aethiop. 300. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia gazensis Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 301. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia genniamia Andersson -- in Schweinf. Beitr. Fl. Aethiop. 300. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia glabriuscula Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 372. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia glabriuscula Andersson -- in Schweinf. Beitr. Fl. Aethiop. 300. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia glauca Stent -- Bothalia i. 251 (1924). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia gossweileri Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 371. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal

Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia gracilescens Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 357. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia grallata Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 320. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia griffithii Bor -- Indian Forest Rec. n.s., i. Bot., 92 (1939); et in Indian Forester, 1939,lxv. 86. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia griffithii Bor -- Indian Forest Rec., Bot. 1: 92. 1938 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia hirta (L.) Stapf -- Flora of Tropical Africa 9 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia hirta Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 315. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia involucrata Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 376. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia iringensis Pilg. -- Notizbl. Bot. Gart. Berlin-Dahlem 14: 101. 1938 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia jaegeriana (A.Camus) Roberty -- Boissiera 9: 109. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia lecomtei Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 361. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia lepida (Nees) Cufod. -- Bull. Jard. Bot. Natl. Belg. 40(3, Suppl.): 1406. 1970 ; [Enum. Pl. Aethiop. Spermat.] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia lintonii Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 350. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia lithophila (Trin.) Pilg. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia lithophila (Trin.) Pilg. -- Nat. Pflanzenfam., ed. 2 [Engler & Prantl] 14e: 174. 1940 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia luembensis Robyns -- Fl. Agrost. Congo Belge 183 (1929). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia macrarrhena Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 355. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia macrolepis Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 328. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia madaropoda Clayton -- Kew Bull., Addit. Ser. 2: 134. 1969 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia micrathera (Pilg.) Pilg. ex Peter -- Repert. Spec. Nov. Regni Veg. Beih. 40(1): 379. 1936 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera

(Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia mobukensis Chiov. -- Nuovo Giorn. Bot. Ital. 1919, n. s. xxvi. 74. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia modica Robyns -- Fl. Agrost. Congo Belge 172 (1929). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia monathera Andersson -- in Schweinf. Beitr. Fl. Aethiop. 300. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia pubescens (Vis. & sine ref.) P.Monts. -- Collect. Bot. (Barcelona) vi. 433 (1964). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia pubescens (Vis.) Malag. -- Acta Phytotax. Barcinon. 18: 10, without basionym date. 1977 [1976 publ. 1977] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia pubescens Chiov. -- Pl. Nov. Aethiop. 20 (1928), in obs. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia pusilla Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 379. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia quarrei Robyns -- Flore Agrostologique du Congo Belge et du Ruanda-Urundi 1 1929 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia quarrei Robyns -- Fl. Agrost. Congo Belge 171 (1929); Robyns in Bull. Jard. Bot. Brux. viii. 234(1930). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia quinqueplex Andersson -- Nova Acta Regiae Soc. Sci. Upsal. Ser. III, ii. (1855) 254. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia reflexa Andersson -- Nova Acta Regiae Soc. Sci. Upsal. Ser. III, ii. (1855) 254. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia rhodesica Stent & J.M.Rattray -- Proc. & Trans. Rhodesia Sci. Assoc. 32: 14. 1933 [Stent & Rattray, Grasses S. Rhodesia] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia rudis Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 344. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia rufa Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 304. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia rufa (Nees) Stapf -- Flora of Tropical Africa 9 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia rufa Stapf subsp. altissima (Stapf) B.K.Simon -- Austrobaileya 3(1): 86 (1989):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia rufa var. rufa (Nees) Stapf -- Kew Bulletin Additional Series 2 1969 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia rufa subsp. rufa B.K.Simon -- Austrobaileya 3(1) 1989 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia ruprechtii E.Fourn. ex Hemsl. -- Biol. Cent.-Amer., Bot. ii. 529. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia ruprechtii (Hack.) E.Fourn. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia ruprechtii E.Fourn. -- Mexic. Pl. Pt. 2, Gramin. (Miss. Sci. Mex. & Amer. Centr. Recherch. Bot.) 67(1886). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia scabrimarginata Robyns -- Fl. Agrost. Congo Belge 184 (1929). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia schimperi Andersson -- in Schweinf. Beitr. Fl. Aethiop. 300. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia schmidima A.Camus -- Journ. Agric. Trop. & Bot. Appliq. ii. 201 (1955). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia sinaica (Delile) Llauradó ex G.López -- Anales Jard. Bot. Madrid 51(2): 313. 1994 [1993 publ. 1994] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia smithiana Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 314. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia snowdenii C.E.Hubb. -- Bull. Misc. Inform. Kew 1928(1): 38. [18 Jan 1928] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia soluta Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 318. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia spectabilis Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 330. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia squarrosula Peter -- Repert. Spec. Nov. Regni Veg. Beih. 40(1): 375, in clavi, germanice; et in Repert. Spec. Nov. Regni Veg. Beih., 40(1, Anhang): 118 (1936), latine. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia stolzii Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 364. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia subaristata Peter -- Repert. Spec. Nov. Regni Veg. Beih. 40(1): 375, in clavi, germanice; et in Repert. Spec. Nov. Regni Veg. Beih., 40(1, Anhang): 120 (1936), latine. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia subplumosa Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 366. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia sulcata Jacq.-Fél. -- Journ. Agric. Trop. & Bot. Appliq. i. 54 (1954). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia takaensis Vanderyst -- Bull. Soc. Roy. Bot. Belgique lv. 45 (1923), nomen. as key ingredient in indigenous anti-cancer Herbal

Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia tamba Andersson -- in Schweinf. Beitr. Fl. Aethiop. 300. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia tuberculata Clayton -- Kew Bull., Addit. Ser. 2: 155. 1969 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia umbrosa Andersson -- in Schweinf. Beitr. Fl. Aethiop. 300. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia umbrosa Andersson ex W.D.Clayt. -- Kew Bull., Addit. Ser. 2: 127. 1969 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia umbrosa Andersson -- in Schweinf. Beitr. Fl. Aethiop. 300. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia vanderystii Vanderyst -- Bull. Agric. Congo Belge 1920, xi. 144. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia variabilis Stapf -- Flora of Tropical Africa 9 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia variabilis Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 334. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia violascens (Stapf) Clayton -- Kew Bull., Addit. Ser. 2: 88. 1969 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia viridescens Robyns -- Fl. Agrost. Congo Belge 182 (1929); Robyns in Bull. Jard. Bot. Brux. viii. 238(1930). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia vulpina Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 310. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia welwitschii Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(2): 356. 1919 [29 Jan 1919] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia wombaliensis (Vanderyst ex Robyns) Clayton -- Kew Bull., Addit. Ser. 2: 75. 1969 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyparrhenia yunnanensis B.S.Sun -- J. Yunnan Univ., Ser. A. 21(2): 95. 1999

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyperthelia Clayton -- Kew Bull. 20(3): 438. 1967 [1966 publ. 3 Jan 1967] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyperthelia Clayton -- Kew Bull. 20(3): 438. 1967 [1966 publ. 3 Jan 1967] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyperthelia colobantha Clayton -- Kew Bull. 20(3): 439. 1967 [1966 publ. 3 Jan 1967] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyperthelia cornucopiae (Hack.) Clayton -- Kew Bull. 20(3): 446. 1967 [1966 publ. 3 Jan 1967] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyperthelia dissoluta (Nees) Clayton -- Kew Bull. 20(3): 441. 1967 [1966 publ. 3 Jan 1967] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyperthelia dissoluta (Nees) Clayton -- Kew Bull. 20(3): 441. 1967 [1966 publ. 3 Jan 1967] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyperthelia edulis (C.E.Hubb.) Clayton -- Kew Bull. 20(3): 447. 1967 [1966 publ. 3 Jan 1967] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyperthelia kottoensis Desc. & M.Mazade -- Bull. Soc. Bot. France, Lett. Bot. 134(2): 203. 1987 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyperthelia macrolepis (Hack.) Clayton -- Kew Bull. 20(3): 445. 1967 [1966 publ. 3 Jan 1967] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hyperthelia polychaeta Clayton -- Kew Bull. 20(3): 441. 1967 [1966 publ. 3 Jan 1967] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypodaeurus Hochst. -- Flora 27(1): 101. 1844 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypodaeurus cenchroides Hochst. -- Flora 27(1): 101. 1844 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium Nees -- Fl. Bras. Enum. Pl. 2(1): 364. 1829 [Mar-Jun 1829] ; alt. title: Agrost. Bras. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium absimile (Pilg.) Roberty -- Boissiera 9: 189. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium arrectum (Stapf) Roberty -- Boissiera 9: 182. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium campestre Nees -- Fl. Bras. Enum. Pl. 2(1): 365. 1829 [Mar-Jun 1829] ; alt. title: Agrost. Bras. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium campestre Nees as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium ceresiiforme (Nees) Roberty -- Boissiera 9: 192. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for

Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium foveolatum Haines -- Bot. Bihar & Orissa Pt. 5, 1041 (1924). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium hamatum (Stapf) Roberty -- Boissiera 9: 183. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium heteroclitum (Roxb.) Roberty -- Boissiera 9: 190. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium leptocomum (Trin.) Roberty -- Boissiera 9: 187. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium macrochaetum (Stapf) Roberty -- Boissiera 9: 185. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium pumilum (Jacq.-Fél.) Roberty -- Boissiera 9: 187. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on

its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium schlechteri (Hack.) Pilg. -- Nat. Pflanzenfam., ed. 2 [Engler & Prantl] 14e: 156. 1940 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium spathiflorum Nees -- Fl. Bras. Enum. Pl. 2(1): 349. 1829 [Mar-Jun 1829] ; alt. title: Agrost. Bras. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium spathiflorum Nees as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium trepidarium (Stapf) Roberty -- Boissiera 9: 186. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hypogynium trichaetum (Reznik) Roberty -- Boissiera 9: 183. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Bot. iii. 14 (1930). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hystrix hystrix (L.) Millsp. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hystrix hystrix MacMill. -- Metasp. Minnesota Valley (1892) 89; Millsp. Fl. West Virgin. (1892) 474. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hystrix hystrix Millsp. -- Fl. W. Virginia 474. 1892 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hystrix japonica (Hack.) Ohwi -- Acta Phytotax. Geobot. 5(3): 185. 1936 [15 Oct 1936] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hystrix komarovii (Roshev.) Ohwi -- Acta Phytotax. Geobot. 2(1): 31. 1933 [1 Feb 1933] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hystrix kunlunensis K.S.Hao -- Bot. Jahrb. Syst. 68(5): 580. 1938 [31 May 1938] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hystrix laevis (Petrie) Allan -- Introd. Grasses N. Z. (Bull. Dept. Sc. & Indust. Res. N. Z. No. 49) 88, in obs.,155, indice (1936). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hystrix longe-aristata Honda -- Journ. Fac. Sc. Tokyo, Sect. III. Bot. iii. 14 (1930). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hystrix patula Moench -- Methodus (Moench) 295. 1794 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hystrix patula Moench -- Methodus (Moench) 295 (1794). [4 May 1794] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hystrix patula Moench var. bigeloviana (Fernald) Deam as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hystrix patula Moench f. bigeloviana (Fernald) Gleason -- Phytologia 4: 21. 1952 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hystrix sachalinensis Ohwi -- Bot. Mag. (Tokyo) 45: 378. 1931 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hystrix sibirica Kuntze -- Revis. Gen. Pl. 2: 778. 1891 [5 Nov 1891] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Hystrix sibirica Kuntze var. glabriglumis (Roshev.) Tzvelev -- Bot. Zhurn. (Moscow & Leningrad) 94(2): 277. 2009 [16 Feb 2009]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus P.Beauv. -- Ess. Agrostogr. 56. t. 12. f. I (1812). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus P.Beauv. -- Ess. Agrostogr. 56. 1812 [Dec 1812] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus P.Beauv. -- Essai d'une Nouvelle Agrostographiae 1812 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus sect. Appendiculata Pilg. -- Die Nat?rlichen Pflanzenfamilien ed. 2, 14e 1940 as key ingredient in indigenous anti-cancer Herbal

Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus acuminatus Swallen -- Fieldiana, Bot. 28, no. 1: 28. 1951 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus acuminatus Swallen -- Fieldiana, Bot. xxviii. No. 1, 28 (1951). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus adpressus C.Silva & R.P.Oliveira -- Phytotaxa 104(1): 22. 2013 [29 May 2013] [epublished]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus affinis Döll -- Fl. Bras. (Martius) 2(2): 277. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus almadensis Kunth -- Enum. Pl. [Kunth] 1: 135. 1833 [Jul-Aug 1833] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus almadensis var. lanceolatus Döll -- Fl. Bras. (Martius) 2(2): 283. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus almadensis var. ovato-lanceolatus Döll -- Fl. Bras. (Martius) 2(2): 283. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus almadensis var. subovatus Döll -- Fl. Bras. (Martius) 2(2): 283. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus alsinoides Munro ex Hemsl. -- Biol. Cent.-Amer., Bot. iii. 500. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus altus Swallen -- Contr. U.S. Natl. Herb. 29: 272. 1949 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus altus Swallen -- Contr. U.S. Natl. Herb. xxix. 272 (1948). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus amplifolius Swallen -- Los Angeles County Mus. Contr. Sci. no. 22: 4, fig. 2. 1958 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus amplifolius Swallen -- Los Angeles County Mus. Contr. Sci. 22: 4 (1958). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus amplus Swallen -- Phytologia 11: 74. 1964 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus amplus Swallen -- Mem. New York Bot. Gard. ix. 265 (1957). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus amplus Swallen -- Mem. New York Bot. Gard. 9: 265. 1957 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus amplus Swallen -- Phytologia xi. 74 (1964). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus angustifolius Swallen -- J. Wash. Acad. Sci. 1931, xxi. 16. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus angustifolius Swallen -- J. Wash. Acad. Sci. 21: 16. 1931 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus angustus Swallen -- Mem. New York Bot. Gard. 9: 266. 1957 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus angustus Swallen -- Mem. New York Bot. Gard. ix. 266 (1957). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. J. J. Sm. and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus bolivianus K.E.Rogers -- Phytologia 22: 97. 1971 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus bradei K.E.Rogers -- Phytologia 24(5): 409. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus bradei K.E.Rogers -- Phytologia 24: 409. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus brasiliensis K.E.Rogers -- Phytologia 22(2): 98. 1971 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus brasiliensis K.E.Rogers -- Phytologia 22: 98. 1971 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus breviacuminatus K.E.Rogers -- Phytologia 26: 57. 1973 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus breviacuminatus K.E.Rogers -- Phytologia 26(2): 57. 1973 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus brevipaniculatus K.E.Rogers -- Phytologia 24: 410. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus brevipaniculatus K.E.Rogers -- Phytologia 24(5): 410. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus breviscrobs Döll -- Fl. Bras. (Martius) 2(2): 294. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus breviscrobs Döll -- Fl. Bras. (Martius) 2(2): 294. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus breviscrobs Döll -- Fl. Bras. (Martius) 2(2): 294. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus brevivaginatus Swallen -- Phytologia iv. 425 (1953). as key ingredient in indigenous anti-cancer Herbal Formulations after

enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus brevivaginatus Swallen -- Phytologia 4: 425. 1953 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus calvescens (Nees ex Trin.) Döll -- Fl. Bras. (Martius) 2(2): 285. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus calvescens (Nees ex Trin.) Döll as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus calvescens var. glabrescens Döll -- Fl. Bras. (Martius) 2(2): 286, fig. 36. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus calvescens var. pilosus (Döll) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus calvescens var. pilosus Döll -- Fl. Bras. (Martius) 2(2): 286. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus calvescens var. pubescens Döll -- Fl. Bras. (Martius) 2(2): 287. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus calvescens var. scabrior Döll -- Fl. Bras. (Martius) 2(2): 286. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus calvescens var. subvelutinus Döll as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus calvescens var. subvelutinus Döll -- Fl. Bras. (Martius) 2(2): 287. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus camporum Swallen -- Phytologia 11: 149. 1964 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus camporum Swallen -- Phytologia xi. 149 (1964). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus candicans Döll -- Fl. Bras. (Martius) 2(2): 291. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after

enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus candicans var. genuinus Döll -- Fl. Bras. (Martius) 2(2): 292. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus candicans var. glabratus Döll as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus candicans var. glabratus Döll -- Fl. Bras. (Martius) 2(2): 292. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus candicans var. pilosus Döll -- Fl. Bras. (Martius) 2(2): 293. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus candicans var. velutinus Döll -- Fl. Bras. (Martius) 2(2): 293. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus candicans var. velutinus Döll -- Fl. Bras. (Martius) 2(2): 293. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus candicans var. villosus Döll -- Fl. Bras. (Martius) 2(2): 292. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus candicans var. villosus Döll -- Fl. Bras. (Martius) 2(2): 292. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus candicans var. virescens Döll -- Fl. Bras. (Martius) 2(2): 292. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus candicans var. virescens Döll -- Fl. Bras. (Martius) 2(2): 292. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus chaseae Swallen -- Contr. U.S. Natl. Herb. xxix. 271 (1948). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus chaseae Swallen -- Contr. U.S. Natl. Herb. 29: 271. 1949 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus colonarius K.E.Rogers -- Phytologia 22: 98. 1971 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it

Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus colonarius K.E.Rogers -- Phytologia 22(2): 98. 1971 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus confertus K.E.Rogers -- Phytologia 24(5): 411. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus confertus K.E.Rogers -- Phytologia 24: 411. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus congestus Swallen -- Phytologia 11: 148. 1964 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus congestus Swallen -- Phytologia xi. 148 (1964). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus conjunctus Hitchc. & Ekman -- U.S.D.A. Bur. Pl. Industr. Misc. Publ. No. 243 (Man. Grasses W. Indies) 297 (1936). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus conjunctus Hitchc. & Ekman -- Man. Grasses W. Ind. 297, fig. 287. 1936 U. S. Dept. Agric. Misc. Publ. 243 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus cordatus Ekman -- Ark. Bot. 10, no. 17: 18, pl. 2, 6. 1911 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus cordatus Ekman -- Ark. Bot. 10(17): 18. 1911 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus cynotis Döll -- Fl. Bras. (Martius) 2(2): 284. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus damazianus Hack. -- Repert. Spec. Nov. Regni Veg. 12: 385. 1913 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus damazianus Hack. -- Repert. Spec. Nov. Regni Veg. 12: 385. 1913 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus dasycoleos Tutin -- J. Bot. 72: 337. 1934 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus dasycoleos Tutin -- J. Bot. 72: 337, fig. 8a. 1934 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus dewildemani Vanderyst -- Bull. Agric. Congo Belge 1919, x. 249. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus dewildemanii Vanderyst -- Bull. Agric. Congo Belge xvi. 681 (1925); vide Compere in Bull. Jard. Bot.Brux. xxxiii. 393 (1963). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus drepanophyllus Mez -- Repert. Spec. Nov. Regni Veg. 15: 131. 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus drepanophyllus Mez -- Repert. Spec. Nov. Regni Veg. 15: 131. 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus duidensis Swallen -- Fieldiana, Bot. xxviii. No. 1, 28 (1951). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus duidensis Swallen -- Fieldiana, Bot. 28, no. 1: 28. 1951 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus ephemeroblepharis G.A.Black & Fróes -- Bol. Tecn. Inst. Agron. N. 15: [5], tab. 1948 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus ephemeroblepharis G.A.Black & Fróes -- Bol. Tecn. Inst. Agron. N. No. 15, 5 (1948). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus erectus Swallen -- Phytologia 11: 75. 1964 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus erectus Swallen -- Phytologia xi. 75 (1964). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus exilis K.E.Rogers -- Phytologia 26(2): 58. 1973 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus exilis K.E.Rogers -- Phytologia 26: 58. 1973 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus fastigiatus Brongn. -- Voy. Monde, Phan. 118, t. 18. 1832 [1829 publ. Mar 1832] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus firmus Swallen -- Phytologia 11: 145. 1964 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus firmus Swallen -- Phytologia xi. 145 (1964). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus foliolosus Munro ex Hook.f. -- Fl. Brit. India [J. D. Hooker] 7(21): 61. 1896 [Apr 1896] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus gardneri Mez -- Repert. Spec. Nov. Regni Veg. 15: 132. 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus gardneri Mez -- Repert. Spec. Nov. Regni Veg. 15: 132. 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and

Gramin. ii. t. 168. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus leiocarpus var. glabrescens Döll -- Fl. Bras. (Martius) 2(2): 282. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus leptophyllus Döll -- Fl. Bras. (Martius) 2(2): 287. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus leptophyllus Döll -- Fl. Bras. (Martius) 2(2): 287. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations

after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus lilloi Hack. -- Annuaire Conserv. Jard. Bot. Genève xvii. 288 (1914). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus lilloi Hack. -- Annuaire Conserv. Jard. Bot. Genève 17: 288. 1914 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus longhi-wagnerae A.C.Mota & R.P.Oliveira -- Syst. Bot. 37(1): 117. 2012 [31 Jan 2012]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus longiflorus Benth. -- J. Linn. Soc., Bot. 19: 45. 1881 [1882 publ. 1881] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus longifolius Swallen -- Fieldiana, Bot. xxviii. No. 1, 29 (1951). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus longifolius Swallen -- Fieldiana, Bot. 28, no. 1: 29. 1951 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus longiglumis Mez -- Repert. Spec. Nov. Regni Veg. 15: 131. 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus longiglumis Mez -- Repert. Spec. Nov. Regni Veg. 15: 131. 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus longispiculus Swallen -- Phytologia xi. 148 (1964). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus longispiculus Swallen -- Phytologia 11: 148. 1964 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus luetzelburgii Mez -- Bot. Jahrb. Syst. 56(4, Beibl. 125): 9. 1921 [18 Feb 1921] , as 'Lützelburgii' as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus luetzelburgii Mez -- Bot. Jahrb. Syst. 56(4, Beibl. 125): 9. 1921 [18 Feb 1921] , as 'Lützelburgii' as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus majusculus Hughes -- Bull. Misc. Inform. Kew 1923(9): 329. [18 Sep 1923] as key ingredient in indigenous anti-cancer Herbal

Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus majusculus (Benth.) Hughes -- Bulletin of Miscellaneous Information, Kew 1932 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus martianus Döll -- Fl. Bras. (Martius) 2(2): 280. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus mayarensis Hitchc. -- Contr. U.S. Natl. Herb. xii. 228 (1909). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus mayarensis Hitchc. -- Contr. U.S. Natl. Herb. 12: 228. 1909 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus mexicanus E.Fourn. -- Mexic. Pl. 2: 34. 1886 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus mexicanus E.Fourn. ex Hemsl. -- Biol. Cent.-Amer., Bot. iii. 500. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus mexicanus E.Fourn. & E.Fourn. -- Mexic. Pl. 34, descr. 1886 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus minarum Döll -- Biol. Cent.-Amer., Bot. iii. 294. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus minarum (Nees) Döll as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus mollis Ekman -- Ark. Bot. 10, no. 17: 20, pl. 2, 6. 1911 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus mollis Ekman -- Ark. Bot. 10(17): 20. 1911 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus montanus Mez -- Repert. Spec. Nov. Regni Veg. 15: 128. 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus montanus (Trin.) Mez as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on

its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus montanus Mez -- Repert. Spec. Nov. Regni Veg. 15: 128. 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus mueensis Vanderyst -- Bull. Agric. Congo Belge 1925, xvi. 681. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus muelleri Hughes -- Bull. Misc. Inform. Kew 1923(9): 329. [18 Sep 1923] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus muelleri Hughes -- Bulletin of Miscellaneous Information, Kew 1932 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus neblinaensis Swallen -- Phytologia 14: 84. 1966 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus neblinaensis Swallen -- Phytologia xiv. 84 (1966). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus nemoralis (Schrad.) Hitchc. & Chase -- Contr. U.S. Natl. Herb. xviii. 334 (1917). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus nemoralis (Schrad.) Hitchc. & Chase as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus nemoralis (Schrad.) Hitchc. & Chase -- Contr. U.S. Natl. Herb. 18: 334. 1917 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus nemorosus (Sw.) Döll as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus nemorosus Döll -- Biol. Cent.-Amer., Bot. iii. 289. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus nemorosus Döll var. swartzii K.E.Rogers -- Phytologia 22(2): 100 171). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus nemorosus var. swartzii K.E.Rogers -- Phytologia 22: 100. 1971 as key ingredient in indigenous anti-cancer Herbal Formulations

after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus nervosus Swallen -- Phytologia 11: 147. 1964 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus nervosus Swallen -- Phytologia xi. 147 (1964). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus nubigena Swallen -- Contr. U.S. Natl. Herb. xxix. 425 (1950). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus nubigenus Swallen -- Contr. U.S. Natl. Herb. 29: 425. 1950 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus nubilis Chase -- J. Wash. Acad. Sci. 42: 124, fig. 3. 1952 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus nubilis Chase -- J. Wash. Acad. Sci. xlii. 124. 1952 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Hongk. 414. 1861 [Feb 1861] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus pallens (Sw.) Benth. var. majus (Nees) Stieber -- Syst. Bot. 12: 207. 1987 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus pallens Munro ex Benth. var. majus (Nees) Stieber -- Syst. Bot. 12(2): 207. 1987 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus pallens f. monstrosus (E.Fourn.) Beetle -- Phytologia 54: 2. 1983 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus pallens Munro ex Benth. f. monstrosus (E.Fourn.) Beetle -- Phytologia 54(1): 2 (1983):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera

(Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus pallidus Swallen -- Phytologia 11: 77. 1964 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus pallidus Swallen -- Phytologia xi. 77 (1964). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus panicoides P.Beauv. -- 56, 77. 1812 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus panicoides P.Beauv. -- Ess. Agrostogr. 56. t. 12. 1812 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus papillatus K.E.Rogers -- Phytologia 26: 59. 1973 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus papillatus K.E.Rogers -- Phytologia 26(2): 59. 1973 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus parodii K.E.Rogers -- Phytologia 22(2): 101. 1971 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus parodii K.E.Rogers -- Phytologia 22: 101. 1971 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus parodii K.E.Rogers var. villosissimus K.E.Rogers -- Phytologia 26(2): 60. 1973 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus parodii K.E.Rogers var. villosissimus K.E.Rogers -- Phytologia 26: 60. 1973 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus pauciflorus Hughes -- Bull. Misc. Inform. Kew 1923(9): 330. [18 Sep 1923] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus pauciflorus (R.Br.) Hughes -- Bulletin of Miscellaneous Information, Kew 1932 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus peruvianus Mez -- Repert. Spec. Nov. Regni Veg. 15: 129. 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus peruvianus Mez -- Repert. Spec. Nov. Regni Veg. 15: 129. 1918 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus petiolatus Döll -- Fl. Bras. (Martius) 2(2): 278. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus petiolatus var. lanceolatus Döll -- Fl. Bras. (Martius) 2(2): 279. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus petraeus K.E.Rogers -- Phytologia 26(2): 61. 1973 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus petraeus K.E.Rogers -- Phytologia 26: 61. 1973 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus pilosomarginatus Catasús -- Acta Bot. Cub. no. 4: 9 (-10). 1980 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus pilosomarginatus Catasús -- Acta Bot. Cub. 4: 9. 1980 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus pilosus K.E.Rogers -- Phytologia 24: 415. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ichnanthus pilosus K.E.Rogers -- Phytologia 24(5): 415. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata exaltata Brongn. -- Voy. Monde, Phan. 101. 1831 [1829 publ. Jun 1831] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata exaltata var. angustifolia Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 99. 1889 [Apr 1889] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata exaltata var. caudata Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 99. 1889 [Apr 1889] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata exaltata var. caudata Hack. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata filifolia Nees ex Steud. -- Syn. Pl. Glumac. 1(6): 405. 1854 [1855 publ. 28-29 Nov 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata flavida S.M.Phillips & S.L.Chen -- Novon 15(3): 469. 2005 [21 Sep 2005]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata flexuosa Swallen -- Phytologia xiv. 87 (1966). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata flexuosa Swallen -- Phytologia 14: 87. 1966 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata hookeri Rupr. ex Andersson -- Öfvers. Kongl. Vetensk.-Akad. Förh. (1855) 160. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata jaculatoria Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 2: 289. 1817 [Nov 1817] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata jaculatoria Baill. -- Hist. Pl. (Baillon) 12: 198. 1893 [24 Apr 1893] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata klaga Jungh. -- Hoev. & De vriese, Tijdschr. vii. (1840) 296. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata koenigii P.Beauv. -- Ess. Agrostogr. 165. 1812 (as "Kaenigii") as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata koenigii (Retz.) Nees -- Fl. Afr. Austral. Ill. 89. 1841

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata koenigii (Retz.) Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 2: 289. 1817 [Nov 1817] ; nom. illeg.

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata koenigii (Retz.) Roem. & Schult. var. major Nees -- Fl. Afr. Austral. Ill. 90. 1841 (as "var. Maior")

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata laguroides (Pourr.) Roux -- Naturalia Monspel., Sér. Bot. 9: 177. 1958 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata latifolia (Hook.f.) L.Liu -- Vasc. Pl. Hengduan Mount. 2: 2299 (1994):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata longifolia Pilg. -- Bot. Jahrb. Syst. 30(2): 136. 1901 [2 Jul 1901] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata longifolia Pilg. -- Bot. Jahrb. Syst. 30(2): 136. 1901 [2 Jul 1901] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata macilenta (Chauv. ex Steud.) Ohwi -- Acta Phytotax. Geobot. 11(3): 146, in obs. 1942 [31 Aug 1942] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Imperata minutiflora Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 100. 1889 [Apr 1889] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Arnold Arbor. vi. 148 (1925). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indocalamus wightianus Nakai -- J. Arnold Arbor. vi. 149 (1925). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indocalamus wilsonii (Rendle) C.S.Chao & C.D.Chu -- J. Nanjing Technol. Coll. Forest Prod. 1981(3): 43 (1981), as 'wilsoni':. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indocalamus wuxiensis T.P.Yi -- Bull. Bot. Res., Harbin 5(4): 129. 1985 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indocalamus youxiuensis T.P.Yi -- J. Bamboo Res. 11(3): 53 (1992). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indochloa Bor -- Kew Bull. 9(1): 75. 1954 [10 May 1954] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indochloa clarkei (Hack.) Bor -- Kew Bull. 9(1): 76. 1954 [10 May 1954] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indochloa oligantha (Hochst. ex Steud.) Bor -- Kew Bull. 9(1): 79. 1954 [10 May 1954] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indopoa Bor -- Kew Bull. 13(2): 225. 1958 [28 Nov 1958] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indopoa paupercula (Stapf) Bor ex Ramamoorthy -- Fl. Hassan Dist. [Saldanha & Nicolson] 735. 1976

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indopoa paupercula Bor -- Kew Bull. 13(2): 226. 1958 [28 Nov 1958] ; nom. inval. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indoryza A.N.Henry & B.Roy -- Bull. Bot. Surv. India 10: 274. 1969 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indoryza coarctata (Roxb.) A.N.Henry & B.Roy -- Bull. Bot. Surv. India 10: 274. 1969 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indosasa McClure -- in Lingnan Univ. Sci. Bull. No. 9, 28 (1940). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indosasa acutiligulata Z.P.Wang & G.H.Ye -- J. Nanjing Univ., Nat. Sci. Ed. 1981(1): 100 (1981). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indosasa albohispidula Q.H.Dai & C.F.Huang -- J. Bamboo Res. 3(1): 47 (1984). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indosasa angustata McClure -- J. Arnold Arbor. xxiii. 93 (1942). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it

Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indosasa angustifolia W.T.Lin -- Acta Phytotax. Sin. 26(3): 225 (1988). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indosasa bacquangensis T.Q.Nguyen -- Bot. Zhurn. (Moscow & Leningrad) 76(6): 878. 1991 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indosasa breviligulata W.T.Lin & Z.M.Wu -- J. Bamboo Res. 11(1): 33 (1992). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indosasa chienouensis T.H.Wen -- J. Bamboo Res. 2(1): 67 (1983). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Indosasa crassiflora McClure -- in Lingnan Univ. Sci. Bull. No. 9, 29 (1940). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Pl. 19: t. 1866. 1889 [Jun 1889] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne commelinifolia Warb. -- Repert. Spec. Nov. Regni Veg. 16: 352. 1920 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne conferta Merr. -- Philipp. J. Sci., C 9: 261. 1914 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne confusa Ohwi -- Bulletin of the Tokyo Science Museum 1947 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne confusa Ohwi -- in Bull. Tokyo Sci. Mus. No. 18, 14 (1947). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne confusa Ohwi var. purpurascens (Glassman) Fosberg & Sachet -- Micronesica 18(2): 53 (1982 publ. 1984):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne debilis Rendle -- J. Linn. Soc., Bot. 36: 322. 1904 [1903-1905 publ. 1904] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne deccanensis Bor -- Kew Bull. 4(1): 95. 1949 [19 May 1949] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne depauperata Merr. -- Enum. Philipp. Fl. Pl. i. 58 (1923). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne diabolica Ohwi -- in Bull. Tokyo Sci. Mus. No. 18, 14 (1947). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne dimyloides Bor -- Kew Bull. 4(1): 96. 1949 [19 May 1949] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne dioica Swallen -- J. Wash. Acad. Sci. 1936, xxvi. 537. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne dispar Trin. -- Sp. Gram. [Trinius] 1(8): t. 86. 1827 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne dispar Trin. -- Species Graminum Iconibus et Descriptionibus Illustravit 1 1828 as key ingredient in indigenous anti-cancer Herbal

Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne dispar var. dispar Trin. -- The Grasses of Burma, Ceylon, India and Pakistan 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne disperma Döll -- Fl. Bras. (Martius) 2(2): 274. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne distichophylla Munro ex Hillebr. -- Fl. Hawaiian Isl. [Hillebrand] 504. 1888

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne dubia Kunth -- Révis. Gramin. i. 42; Enum. Pl. i. 137. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne eberhardtii A.Camus -- Bull. Mus. Natl. Hist. Nat. 1919, xxv 671. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne edamalayarensis Sunil, Naveen Kum. & Sivad. -- Nordic J. Bot. 35(3): 354. 2016 [2017 publ. 5 Dec 2016] [epublished]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne elatior Hook.f. -- Fl. Brit. India [J. D. Hooker] 7(21): 22. 1896 [Apr 1896] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne elatiuscula Ohwi -- Bot. Mag. (Tokyo) 56: 5. 1942 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne elegans Dalzell ex Hook.f. -- Fl. Brit. India [J. D. Hooker] 7(21): 23. 1896 [Apr 1896] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne sharpii B.K.Simon -- Austrobaileya 8(2): 207 (-209; fig. 3, map). 2010 [7 Dec 2010]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne sikkimensis Bor -- Kew Bull. 4(1): 115. 1949 [19 May 1949] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne simpliciuscula Wight & Arn. ex Thwaites -- Enum. Pl. Zeyl. [Thwaites] 373, in syn. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne smitinandiana A.Camus -- Notul. Syst. (Paris) 14: 256. 1953 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne soderstromii R.S.Rodrigues & Filg. -- Nordic J. Bot. 36(1-2)-e01847: 2. 2018 [26 Feb 2018] [epublished]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne stenantha (Steud.) Veldkamp -- Reinwardtia 12(2): 175. 2004 [22 Nov 2004]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne stigmatosa Griff. -- Not. Pl. Asiat. 3: 42. 1851 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne stigmatosa Griff. -- Not. Pl. Asiat. 3: 42. 1851 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne streptostachys Nees ex Steud. -- Syn. Pl. Glumac. 1(1): 79. 1853 [1855 publ. 10-12 Dec 1853] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne stricta Elmer -- Leafl. Philipp. Bot. ii. 463 (1908). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne subglobosa Hatus. & Koyama -- J. Jap. Bot. xxxi. 237 (1956). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne surgens Jansen -- Reinwardtia ii. 281 (1953). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne swaminathanii V.Prakash & S.K.Jain -- Proc. Indian Acad. Sci. Pl. Sci. 92(1): 19 (1983). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne sylvestris Ridl. -- J. Straits Branch Roy. Asiat. Soc. 44: 206. 1905 [Jul 1905] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne tenuis Keng f. -- Acta Phytotax. Sin. 10: 15. 1965 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne trachycaula Ohwi -- in Bull. Tokyo Sci. Mus. No. 18, 14 (1947). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne trachysperma Nees ex Seem. -- Bot. Voy. Herald [Seemann] 6: 224. 1854 [late 1854 or v. early 1855?] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne tricarinata Roth -- Nov. Pl. Sp. 57. 1821 [Apr 1821] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne tricarinata Roth -- Nov. Pl. Sp. 57. 1821 [Apr 1821] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne tricarinata Roth ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 2: 476. 1817 [Nov 1817] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne trochainii A.Camus -- Bull. Mus. Natl. Hist. Nat. 1933, Ser. II. v. 250. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne truncata A.Camus -- Notul. Syst. (Paris) 2: 205. 1912 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne vaughanii C.E.Hubb. -- Bull. Misc. Inform. Kew 1927(8): 360. [21 Oct 1927] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne veldkampii K.G.Bhat & Nagendran -- Curr. Sci. 52(6): 258. 1983 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne ventricosa Döll -- Fl. Bras. (Martius) 2(2): 274. 1877 [1 Mar 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne venusta Veldkamp -- Reinwardtia 12(2): 175. 2004 [22 Nov 2004]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne villosa (Hitchcock) Reeder -- J. Arnold Arbor. xxix. 314 (1948). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne virgata Nees ex Steud. -- Syn. Pl. Glumac. 1(2): 96, in syn. 1854 [1855 publ. 2-3 Mar 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne vitiensis Rendle -- J. Linn. Soc., Bot. xxxix. 181 (1909). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne vulcanica Merr. -- Philipp. J. Sci., C 5: 169. 1910 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne walkeri Arn. ex Steud. -- Syn. Pl. Glumac. 1(2): 97. 1854 [1855 publ. 2-3 Mar 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isachne wombaliensis Vanderyst -- Bull. Agric. Congo Belge 1925, xvi. 688. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isalus J.B.Phipps -- Kirkia 5(2): 232. 1966 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isalus betsileensis (A.Camus) J.B.Phipps -- Kirkia 5(2): 233. 1966 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isalus humbertii (A.Camus) J.B.Phipps -- Kirkia 5(2): 233. 1966 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching

it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Isalus isalensis (A.Camus) J.B.Phipps -- Kirkia 5(2): 233. 1966 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemopogon Griseb. -- Fl. Brit. W.I. [Grisebach] 560. 1864 [Oct 1864] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemopogon arcuatus Griseb. -- Fl. Brit. W.I. [Grisebach] 560 (Spodiopogonis sp.). 1864 [Oct 1864] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemopogon latifolius Griseb. -- Fl. Brit. W.I. [Grisebach] 560. 1864 [Oct 1864] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum L. -- Genera Plantarum ed. 5 1754 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum L. -- Sp. Pl. 2: 1049. 1753 [1 May 1753] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum L. -- Sp. Pl. 2: 1049. 1753 [1 May 1753] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum L. -- Species Plantarum 2 1753 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum sect. Autischaemum Pilg. -- Die Nat?rlichen Pflanzenfamilien ed. 2, 14e 1940 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum sect. Digastrium (A.Camus) Roberty -- Boissiera 9 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum sect. Ischaemum L. -- Die Nat?rlichen Pflanzenfamilien ed. 2, 14e 1940 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum abbreviatum Ham. ex Wall. -- Numer. List [Wallich] n. 8688 E. 1848 [5 Aug 1848] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum abrahamii Ravi, N.Mohanan & R.Rajesh -- Bot. Bull. Acad. Sin. (Taipei) 42(3): 225 (2001). as key ingredient in indigenous anti-

cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aculeatum Herb.Linn. ex Munro -- J. Proc. Linn. Soc., Bot. 6: 54. 1862 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum afrum (J.F.Gmel.) Dandy -- in F. W. Andrews, Fl. Pl. Sudan iii. 476 (1956). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum agastyamalayanum Sreek., Janarth. & A.N.Henry -- J. Bombay Nat. Hist. Soc. 84(3): 643. 1988 [1987 publ. 1988] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum agharkarii Datar, R.K.Choudhary & Gorade -- Phytotaxa 272(1): 90. 2016 [26 Aug 2016] [epublished]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum akoense Honda -- Bot. Mag. (Tokyo) 37: (120). 1923 ; et in Bot. Mag., Tokyo 1924, 38: 50 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum albovillosum B.K.Simon -- Austrobaileya 3(1) 1989 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum albovillosum B.K.Simon -- Austrobaileya 3(1): 86 (1989). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum amethystinum J.-P.Lebrun -- Journ. Agric. Trop. & Bot. Appliq. xiii. 44 (1966). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum angustifolium Hack. ex Oliv. -- Hooker's Icon. Pl. 18: t. 1773. 1888 [1887-1888 publ. May 1888] ; et in DC. Monog. Phan. 6: 24. 1889. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum antephoroides Miq. -- Ann. Mus. Bot. Lugduno-Batavi 3: 193. 1867 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum apricum Ridl. -- Fl. Malay Penins. v. 203 (1925). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum arcuatum Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(1): 33. 1917 [1 Jul 1917] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum arenosum Sohns -- Mem. New York Bot. Gard. 9: 404, fig. 75. 1957 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum arenosum Sohns -- Mem. New York Bot. Gard. ix. 404 (1957). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum Willd. -- Sp. Pl., ed. 4 [Willdenow] 4(2): 939 (1806); Roxb. Hort. Beng. 8; Fl. Ind. 1: 819. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum Thunb. -- Prodr. Pl. Cap. 1: 21. 1794 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum L. -- Species Plantarum 2 1753 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum L. -- Sp. Pl. 2: 1049. 1753 [1 May 1753] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum subvar. arundinaceum (Benth.) Roberty -- Boissiera 9 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum subvar. australe (R.Br.) Roberty -- Boissiera 9 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum forma baileyi (C.E.Hubb.) Roberty -- Boissiera 9 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum subvar. ciliare (Retz.) Roberty -- Boissiera 9 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum L. var. crassipes (Steud.) Yonek. -- J. Jap. Bot. 80(6): 332. 2005 [Dec 2005] ; nom. inval.

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum subvar. decumbens (Benth.) Roberty -- Boissiera 9 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum L. subsp. glaucum (Honda) T.Koyama -- Grasses Japan 512. 1987 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum subvar. guianense (Kunth) Roberty -- Boissiera 9: 334. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal

Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum subvar. intermedium (Brongn.) Roberty -- Boissiera 9 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum forma triticeum (R.Br.) Roberty -- Boissiera 9 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum subvar. urvilleanum (Brongn.) Roberty -- Boissiera 9: 336. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aristatum subvar. villosum (R.Br.) Roberty -- Boissiera 9 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum arundinaceum F.Muell. ex Benth. -- Fl. Austral. 7: 519. 1878 [23-30 Mar 1878] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum arundinaceum Benth. -- Flora Australiensis 7 1878 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum aureum Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 224. 1889 [Apr 1889] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum ciliare Retz -- Obs. vi. 36. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick

Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum ciliare Retz. -- Observationes Botanicae 6 1791 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum ciliare Retz. var. longipilum Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 227. 1889 [Apr 1889]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum ciliare var. podostachyum Benth. -- Flora Australiensis 7 1878 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum ciliare Retz. var. wallichii Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 229. 1889 [Apr 1889]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum colladoa Spreng. -- Syst. Veg., ed. 16 [Sprengel] 1: 298. 1824 [dated 1825; publ. in late 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum commelynifolium Stapf ex Ridl. -- Fl. Malay Penins. V. 202 (1925). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum commutatum Hack. ex Trimen -- Syst. Cat. Fl. Pl. Ceylon 107. 1885 [Jun-Jul 1885] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum commutatum Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 209 (-210). 1889 [Apr 1889] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum commutatum Hack. var. tadulingamii (N.C.Nair & Sreek.) R.Kr.Singh & P.S.N.Rao -- J. Econ. Taxon. Bot. 33(3): 807. 2008

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum conjugatum Roxb. -- Hort. Bengal. 8; Fl. Ind. i. 321. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum conjugatum Roxb. -- Hort. Bengal. 8 (1814), nomen; Fl. Ind., ed. Carey & Wall., i. 323 (1820); Fl.Ind., ed. Carey, i. 321 (1832). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum copeanum Sreek., V.J.Nair & N.C.Nair -- J. Bombay Nat. Hist. Soc. 82(2): 390 (1985). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum cordatum Hack. ex Warb. -- Bot. Jahrb. Syst. 13(2): 260. 1890 [28 Oct 1890] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum coreanum Nakai -- in Mori, Enum. Pl. Cor. 45 (1922), nomen; et in Bot. Mag., Tokyo, 1924, xxxviii.52, descr. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum corollatum Nees ex Steud. -- Syn. Pl. Glumac. 1(4-5): 369. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum corollatum (Steud.) Will.Watson -- Bot. Himalayan Distr. N. W. Prov. 392 (1882). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum corrugatum Ham. -- Cat. n. 8864 E. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum crassipes Thell. -- Repert. Spec. Nov. Regni Veg. 10: 289. 1912 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum crassipes Thell. var. pilipes H.R.Zhao -- Acta Bot. Yunnan. 5(4): 343. 1983 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum crinitum Trin. -- Mém. Acad. Imp. Sci. St.-Pétersbourg, Sér. 6, Sci. Math. 2: 298. 1833 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera

(Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum crinitum Trin. -- Mém. Acad. Imp. Sci. St.-Pétersbourg, Sér. 6, Sci. J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum glaucescens Merr. -- Philipp. J. Sci., C 9: 263. 1914 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum glaucostachyum Stapf -- Fl. Cap. (Harvey) 7(2): 328. 1898 [Jul 1898] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum goebelii Hack. -- Oesterr. Bot. Z. 51: 149. 1901 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum guangxiense H.R.Zhao -- Acta Bot. Yunnan. 5(4): 344. 1983 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum guianense Kunth as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum guianense Kunth -- Révis. Gramin. i. 168. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum guianense Kunth var. genuinus Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 236. 1889 [Apr 1889] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum guianense var. schomburgkii Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 236. 1889 [Apr 1889] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum hansenii Bor -- Dansk Bot. Ark. xxiii. 470 (1968). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum heterotrichum Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 220. 1889 [Apr 1889] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum hirsutum Peter -- Repert. Spec. Nov. Regni Veg. Beih. 40(1): 356, in clavi, germanice; et in Repert. Spec. Nov. Regni Veg. Beih., 40(1, Anhang): 115 (1936), latine. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum hirsutum Nees ex Steud. -- Syn. Pl. Glumac. 1(4-5): 361. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum hirsutum Nees ex Steud. -- Syn. Pl. Glumac. 1(4-5): 361. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum hirsutum Spreng. -- Syst. Veg., ed. 16 [Sprengel] 1: 298. 1824 [dated 1825; publ. in late 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum hirtinodes Munro ex Aitch. -- J. Linn. Soc., Bot. 18: 111, nomen. 1880 [1881 publ. 1880] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum hirtum Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 228. 1889 [Apr 1889] as key ingredient in indigenous anti-cancer Herbal

Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum hispidum Kunth -- Nov. Gen. Sp. [H.B.K.] 1: 194. 1816 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum hokianum Honda -- Bot. Mag. (Tokyo) 41: 6. 1927 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum hondae Matsuda -- Bot. Mag. (Tokyo) 27: 106, descr. 1913 ; see also l.c. 26: 223. 1912, nomen nud. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum hubbardii Bor -- Indian Forest Rec. n.s., i. Bot., 98 (1939). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum hubbardii Bor -- Indian Forest Rec., Bot. 1: 98. 1938 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum huegelii Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 252. 1889 [Apr 1889] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum ikomanum Honda -- Journ. Fac. Sc. Tokyo, Sect. III. Bot. iii. 356 (1930). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum imberbe Retz. -- Observ. Bot. (Retzius) vi. 35. 1791 [Jul-Nov 1791] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum imbricatum Stapf ex Ridl. -- Fl. Malay Penins. v. 200 (1925). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum imbricatum Stapf ex Ridl. var. pubescens Keng & H.R.Zhao -- Acta Bot. Yunnan. 5(4): 348. 1983 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum importunum Lour. -- Fl. Cochinch. 2: 646. 1790 [Sep 1790] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum impressum Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 210. 1889 [Apr 1889] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum indicum (Houtt.) Merr. -- J. Arnold Arbor. 1938, xix. 320. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum indicum (Houtt.) Merr. var. breviaristatum H.R.Zhao -- Acta Bot. Yunnan. 5(4): 345. 1983 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum indicum (Houtt.) Merr. var. guandongense H.R.Zhao -- Acta Bot. Yunnan. 5(4): 345. 1983 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum indicum (Houtt.) Merr. var. longipilum (Hack.) R.Kr.Singh & P.S.N.Rao -- J. Econ. Taxon. Bot. 32(4): 814. 2008

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum indicum (Houtt.) Merr. var. malacophyllum (Hochst. ex Steud.) Sur -- J. Econ. Taxon. Bot. 25(2): 420 (2001). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

* Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum indicum (Houtt.) Merr. var. malacophyllum (Hochst. ex Steud.) Ohwi -- Bull. Natl. Sci. Mus., Tokyo 6(2): 121. 1962

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum indicum (Houtt.) Merr. var. scrobiculatum (Nees ex Steud.) R.Kr.Singh & P.S.N.Rao -- J. Econ. Taxon. Bot. 32(4): 813. 2008

Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum sehima Spreng. -- Syst. Veg., ed. 16 [Sprengel] 1: 298. 1824 [dated 1825; publ. in late 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum semisagittatum Roxb. -- Hort. Bengal. 8; Fl. Ind. i. 320. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum semisagittatum Roxb. -- Hort. Bengal. 8 (1814), nomen; Fl. Ind., ed. Carey & Wall., i. 322 (1820); Fl.Ind., ed. Carey, i. 320 (1832). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum setaceum Honda -- Bot. Mag. (Tokyo) 37: (122). 1923 ; et in Bot. Mag., Tokyo 1924, 38: 54 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum siamense (C.E.Hubb.) Roberty -- Boissiera 9: 345. 1960 [Jul 1960] ; Monogr. Syst. Andropog. du Globe (Theses Fac. Sci. Toulouse) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum sieboldii Miq. -- Ann. Mus. Bot. Lugduno-Batavi 2: 291. 1866 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum sinense Keng & H.R.Zhao -- Acta Bot. Yunnan. 5(4): 350. 1983 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum sparteum Ham. ex Wall. -- Numer. List [Wallich] n. 8845 C. 1848 [5 Aug 1848] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum spathiflorum Hook.f. -- Fl. Brit. India [J. D. Hooker] 7(21): 138. 1896 [Apr 1896] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum spathulatum C.Cordem. ex Cordem. -- Fl. Réunion (E.J. de Cordemoy) (1895) 121. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum speciosum Nees ex Steud. -- Syn. Pl. Glumac. 1(4-5): 375. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum speciosum (Steud.) Will.Watson -- in Atkinson, Gaz. N.W. Ind. 392 (1882). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum speciosum Nees ex Steud. -- Syn. Pl. Glumac. 1(4-5): 375 (Rottboelliae sp.). 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum sreenarayanii Sunil, Nithya & Remya Kr. -- Bangladesh J. Pl. Taxon. 24(1): 33. 2017 [Jun 2017]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum stenopterum Honda -- Bot. Mag. (Tokyo) 37: (121). 1923 ; et in Bot. Mag., Tokyo 1924, 38: 51. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum stipitatum Chiov. -- Nuovo Giorn. Bot. Ital. 1919, n. s. xxvi. 58. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum stokesii F.Br. -- Bull. Bernice P. Bishop Mus. 84: 53. 1931 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum stolzii Pilg. -- Bot. Jahrb. Syst. 54(4): 280. 1917 [13 Mar 1917] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum striatum (Willd.) Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 85 (Dec. 1915) 260 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum striatum Domin -- Biblioth. Bot. lxxxv. 260 (1915). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum striatum var. genuinum Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 85 (Dec. 1915) 260 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum striatum var. piligerum Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 85 (Dec. 1915) 260 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum yadavii Gad & Janarth. -- Kew Bull. 62(3): 499 (-501; fig. 1). 2007 [Oct 2007]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum yunnanense Keng & H.R.Zhao -- Acta Bot. Yunnan. 5(4): 353. 1983 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum zeylanicola Bor -- Grasses Burma, Ceyl., Ind. & Pakist. 186 (1960). , as 'zeylanicolum' as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum zeylanicum Hack. ex Trimen -- Syst. Cat. Fl. Pl. Ceylon 107. 1885 [Jun-Jul 1885] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischaemum zollingeri Miq. -- Fl. Ned. Ind. 3: 499. 1857 [26 Nov 1857] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischnanthus Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 2: 28, 497. 1817 [Nov 1817] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischnochloa Hook.f. -- Hooker's Icon. Pl. 25 (ser. 4, 5): 2466. 1896 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischnochloa Hook.f. -- Hooker's Icon. Pl. 25: t. 2466. 1896 [May 1896] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischnochloa falconeri Hook.f. -- Hooker's Icon. Pl. 25: t. 2466. 1896 [May 1896] as key ingredient in indigenous anti-cancer Herbal Formulations

after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischnurus Balf.f. -- in Proc. Roy. Soc. Edinb. xii. (1884) 98. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischnurus pulchellus Balf.f. -- in Proc. Roy. Soc. Edinb. xii. (1884) 98. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischurochloa Buse -- Pl. Jungh. [Miquel] 3: 389. 1854 [Aug 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischurochloa floribunda Buse -- Pl. Jungh. [Miquel] 3: 390. 1854 [Aug 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Ischurochloa spinosa Buse -- Pl. Jungh. [Miquel] 3: 390. 1854 [Aug 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema Andersson -- Nova Acta Regiae Soc. Sci. Upsal. Ser. III, ii. (1856) 250. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema Andersson -- Nova Acta Regiae Societatis Scientiarum Upsaliensis ser. 3, 2 1856 = Monographiae Andropogonearum (1856) 22 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema Andersson -- Nova Acta Regiae Soc. Sci. Upsal. ser. 3, 2: 250. 1856 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema actinostachys Domin -- -- = Bibliotheca Botanica Heft 85 (Dec. 1915) 282 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema actinostachys Domin -- Biblioth. Bot. lxxxv. 282 (1915). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema actinostachys Domin -- Bibliotheca Botanica 89(4) 1928 Tafel II, fig. 1 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema anthephoroides Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 683. 1889 [Apr 1889] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema arguta Andersson -- Nova Acta Regiae Soc. Sci. Upsal. Ser. III, ii. (1856) 252. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema arguta Andersson -- Nova Acta Regiae Soc. Sci. Upsal. Ser. III, ii. (1856) 252. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema calvum C.E.Hubb. -- Hooker's Icon. Pl. 33: t. 3286. 1935 [23 Dec 1935] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema calvum C.E.Hubb. -- Hooker's Icones Plantarum ser. 5, 3 1935 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema ciliatum C.E.Hubb. -- Hooker's Icon. Pl. 33: sub t. 3286, p. 6. 1935 [23 Dec 1935] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema ciliatum C.E.Hubb. -- Hooker's Icones Plantarum ser. 5, 3 1935 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema convexum C.E.Hubb. -- Hooker's Icones Plantarum ser. 5, 3 1935 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema convexum C.E.Hubb. -- Hooker's Icon. Pl. 33: sub t. 3286, p. 8. 1935 [23 Dec 1935] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema dolichotrichum C.E.Hubb. -- Hooker's Icon. Pl. 33: t. 3285. 1935 [23 Dec 1935] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema dolichotrichum C.E.Hubb. -- Hooker's Icones Plantarum ser. 5, 3 1935 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema eremaeum S.T.Blake -- Proceedings of the Royal Society of Queensland 49 1938 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema eremaeum S.T.Blake -- Proc. Roy. Soc. Queensland 49: 83. 1938 [1937 publ. 1938] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema filipes S.T.Blake -- Univ. Queensl. Papers, Dept. Biol. ii. No. 3, 60 (1944). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema filipes S.T.Blake -- University of Queensland Papers, Department of Biology 2(3) 1944 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema fragile S.T.Blake -- Proceedings of the Royal Society of Queensland 49 1938 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema fragile S.T.Blake -- Proc. Roy. Soc. Queensland 49: 85. 1938 [1937 publ. 1938] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema hackelii U.B.Shrestha & Gandhi -- Harvard Pap. Bot. 13(2): 296. 2008 [17 Dec 2008]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema holei Haines -- Bot. Bihar & Orissa Pt. 5, 1055 (1924). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema holmesii S.T.Blake -- University of Queensland Papers, Department of Biology 2(3) 1944 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema holmesii S.T.Blake -- Univ. Queensl. Papers, Dept. Biol. ii. No. 3, 59 (1944). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema hubbardii Uppuluri -- J. Bombay Nat. Hist. Soc. lxv. 665 (1969). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema jainiana P.Umam. & P.Daniel -- J. Bombay Nat. Hist. Soc. 98(3): 425 (2001). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema javanicum Ohwi & Veldkamp -- Reinwardtia 15(2): 124. 2016 [22 Dec 2016]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema laxum Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 682. 1889 [Apr 1889] ; nom. illeg. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema laxum Hack. -- Fodder Grass. N. Ind. 43. 1888 ; nom. illeg. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema macrathera Domin -- Biblioth. Bot. lxxxv. 283 (1915). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Iseilema macratherum Domin -- Bibliotheca Botanica 89(4) 1928 Tafel XII, fig. 3 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) F.Rojas -- Gayana, Bot. 54(2): 173. 1997 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jarava vaginata (Phil.) F.Rojas -- Gayana, Bot. 54(2): 173. 1998 [1997 publ. 1998] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jarava vaginata (Phil.) F.Rojas var. argyroidea (F.A.Roig) Peñail. -- Contr. U.S. Natl. Herb. 48: 408 (Oct. 2003).

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jarava vaginata (Phil.) F.Rojas f. contracta (F.A.Roig) Peñail. -- Contr. U.S. Natl. Herb. 48: 408 (Oct. 2003).

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jarava vaginata (Phil.) F.Rojas var. dilatata (F.A.Roig) Peñail. -- Contr. U.S. Natl. Herb. 48: 408 (Oct. 2003).

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jarava vaginata (Phil.) F.Rojas f. inmersa (F.A.Roig) Peñail. -- Contr. U.S. Natl. Herb. 48: 408 (Oct. 2003).

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jarava vaginata (Phil.) F.Rojas f. laevis (F.A.Roig) Peñail. -- Contr. U.S. Natl. Herb. 48: 409 (Oct. 2003).

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jarava vaginata (Phil.) F.Rojas f. rigida (F.A.Roig) Peñail. -- Contr. U.S. Natl. Herb. 48: 409 (Oct. 2003).

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jarava vatroensis (F.A.Roig) Peñail. -- Gayana, Bot. 59(1): 33. 2002 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jarava vatroensis (F.A.Roig) Peñail. -- Gayana, Bot. 59(1): 33 (2002). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jardinea Steud. -- Flora 33: 229 (1850), (Jandinea); Syn. Pl. Gram. 360 (1855). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jardinea abyssinica Steud. -- Syn. Pl. Glumac. 1(4-5): 360. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jardinea angolensis Stapf -- Fl. Trop. Afr. [Oliver et al.] 9(1): 52. 1917 [1 Jul 1917] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jardinea congoensis Franch. ex Hack. -- Monogr. Phan. [A.DC. & C.DC.] 6: 377, in syn. 1889 [Apr 1889] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jardinea gabonensis Steud. -- Flora 33: 229. 1850 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jardinea gabonensis Steud. -- Syn. Pl. Glum. 1. 360 (1854). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jardinea kibambeleensis Vanderyst -- Bull. Agric. Congo Belge 1920, xi. 140, nomen. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jardinia Benth. & Hook.f. -- Gen. Pl. [Bentham & Hooker f.] 3(2): 1131. 1883 [14 Apr 1883] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Joachimea Benth. & Hook.f. -- Gen. Pl. [Bentham & Hooker f.] 3(2): 1100, sphalm. 1883 [14 Apr 1883] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera

(Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Joachimia Ten. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 2: 695. 1817 [Nov 1817] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Joachimia phalaroides Ten. ex Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 2: 695. 1817 [Nov 1817] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Joannegria Chiov. -- Ann. Bot. (Rome) 11: 231. 1913 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Joannegria brizoides Chiov. -- Nuovo Giorn. Bot. Ital. ser. 2, 36: 371. 1929 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Joannegria melicoides Chiov. -- Ann. Bot. (Rome) 11: 231. 1913 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jouvea E.Fourn. -- Bull. Soc. Roy. Bot. Belgique xv. (1876) 475. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jouvea pilosa Scribn. -- Bull. Torrey Bot. Club 23(4): 143. 1896 [30 Apr 1896] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Jouvea pilosa Scribn. -- Bull. Torrey Bot. Club 23(4): 143. 1896 [30 Apr 1896] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia hackelii (Honda) Packer var. nakaii (Keng) H.Yu & N.X.Zhao -- Ann. Bot. Fenn. 42(1): 50. 2005 [16 Feb 2005]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia hancei (Keng) Packer -- Bot. Not. 113: 292. 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia hancei (Keng) Packer var. jeholensis (Honda) H.Yu & N.X.Zhao -- Ann. Bot. Fenn. 42(1): 51. 2005 [16 Feb 2005]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia kitagawae (Honda) Packer -- Bot. Not. 113: 292. 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia kitagawae (Honda) Packer var. foliosa (Keng) H.Yu & N.X.Zhao -- Ann. Bot. Fenn. 42(1): 51. 2005 [16 Feb 2005]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia kokonorica (K.S.Hao) Packer -- Bot. Not. 113: 293. 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia longiflora (Keng ex Keng f. & Liou) Packer -- Bot. Not. 113: 293. 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia maeotica (Klokov & Zoz) Packer -- Bot. Not. 113: 293. 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia mucronata (Keng ex Keng f. & Liou) Packer -- Bot. Not. 113: 293. 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia mutica (Keng) Packer -- Bot. Not. 113: 292. 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia nakaii (Keng) Packer -- Bot. Not. 113: 291. 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia nedoluzhkoi (Tzvelev) Veldkamp -- Reinwardtia 12(2): 138. 2004 [22 Nov 2004]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia polyphylla (Keng ex Keng f. & Liou) Packer -- Bot. Not. 113: 293. 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia ramiflora (Keng & C.P.Wang) H.Yu & N.X.Zhao -- Ann. Bot. Fenn. 42(1): 53. 2005 [16 Feb 2005]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia ramiflora (Keng & C.P.Wang) H.Yu & N.X.Zhao var. tianmushanensis (F.Z.Li & C.K.Ni) H.Yu & N.X.Zhao -- Ann. Bot. Fenn. 42(1): 53. 2005 [16 Feb 2005]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia serotina (L.) Packer -- Bot. Not. 113: 291. 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia serotina (L.) Packer var. vivipara (Honda) H.Yu & N.X.Zhao -- Ann. Bot. Fenn. 42(1): 53. 2005 [16 Feb 2005]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia songorica (Roshev.) Packer -- Bot. Not. 113: 293. 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Kengia squarrosa (Trin.) Packer -- Bot. Not. 113: 292. 1960 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria bungeana Tzvelev -- Novosti Sist. Vyssh. Rast. 42: 83. 2011 [13 Jul 2011]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria buschiana (Domin) Gontsch. -- Fl. URSS ii. 328 (1934). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria cairnesiana Hultén -- Acta Univ. Lund. 2, 38, no. 1: 190, fig. 1b, 2g-i. 1942 Fl. of Alaska & Yukon, 2 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria cairnesiana Hultén -- Fl. Alaska & Yukon (Lunds Univ. Arsskrift, n. f. Avd. 2, xxxviii. No. 1) 190(1942). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria calarashica M.G.Kalen. -- Bot. Zhurn. (Moscow & Leningrad) 71(1): 91. 1986 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria calderonii A.M.Molina -- Bol. Soc. Argent. Bot. 26: 223 (-224), fig. 2. 1990 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria californica (Domin) Beetle -- Phytologia 52(1): 14 (1982):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria californica (Domin) Beetle -- Phytologia 52: 14. 1982 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria callieri (Domin) Ujhelyi -- Ann. Hist.-Nat. Mus. Natl. Hung. 56: 206. 1964 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria calycina DC. -- Fl. Franc. [de Candolle & Lamarck], ed. 3. 6: 271. 1815 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria calycina DC. & Duby -- Bot. Gall., pars prima 521. 1828 [12-14 Apr 1828] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria campestris Phil. -- Linnaea 29: 94. 1858 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria canariensis Domin -- Biblioth. Bot. lxv. 289 (1907). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria cantabrica Willk. & Lange -- Prodr. Fl. Hispan. 1(1): 75. 1861 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria capensis Nees -- Linnaea 7: 321. 1832 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal

Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria capensis Nees -- Linnaea 7: 321. 1832 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria carniolica Kern. -- Oesterr. Bot. Z. 17: 7. 1867 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria caroli Emb. -- Bull. Soc. Sci. Nat. Maroc 1935, xv. 192. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria castellana Boiss. & Reut. -- Pugill. Pl. Afr. Bor. Hispan. 122. 1852 [Jan 1852] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

* Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria caucasica (Domin) Trin. ex B.Fedtsch. -- Rastitel'n. Turkestana 119, clavi. 1915

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria caucasica Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 848, in syn. ; nom. inval. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria caucasica (Domin) Trin. ex B.Fedtsch. subsp. adzharica Mosul. -- Zametki Sist. Geogr. Rast. 42: 39 (-40). 1991

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria caucasica (Domin) Trin. ex B.Fedtsch. subsp. fominii (Domin) Mosul. -- Zametki Sist. Geogr. Rast. 42: 41. 1991

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria caudata Griseb. -- Abh. Königl. Ges. Wiss. Göttingen 24: 292. 1879 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria caudata Steud. -- Syn. Pl. Glumac. 1(3): 293. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria caudata Hack. -- Catal. 21. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria caudata Steud. subsp. crassipes (Lange) Rivas Mart. -- Anales Jard. Bot. Madrid 36: 308. 1980 [1979 publ. 1980] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria caudata Steud. var. filifolia Domin -- Biblioth. Bot. 65: 103. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria caudata Steud. var. hirsuta Ujhelyi -- Ann. Hist.-Nat. Mus. Natl. Hung. 58: 185. 1966

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria caudulata Griseb. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Hung. 57: 186. 1965 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria cumingii Nees ex Steud. -- Syn. Pl. Glumac. 1(3): 294. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria dactylis Chaubard -- in Bory & Chaubard, Nouv. Fl. Pélop. 6 (1838). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria dactyloides Spreng. -- Syst. Veg., ed. 16 [Sprengel] 1: 334. 1824 [dated 1825; publ. in late 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria dactyloides Rchb. -- Fl. Germ. Excurs. 140(5). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria dasyphylla Willk. -- Oesterr. Bot. Z. 40: 148. 1890 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it

Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria dasyphylla Willk. subsp. nevadensis (Hack.) Quintanar & Romero García -- Acta Bot. Malac. 32: 291. 2007 [Dec 2007]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria davidovii (Acht.) Kožuharov -- Opred. Vissh. Rast. Bulg. 786. 1992

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria degeni Domin -- Magyar Bot. Lapok iii. 275. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria delavignei Czern. ex Domin -- in Maevskii, Fl. Srednei Rossii ed. 5, 762. 1917 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria delavignei Czern. ex Domin var. fallax Domin -- Biblioth. Bot. 65: 248. 1907

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria delavignei Czern. ex Domin subsp. veresczaginii Tzvelev ex N.V.Vlassova -- Bot. Zhurn. (Moscow & Leningrad) 72(12): 1667. 1987 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria digorica Mosul. -- Zametki Sist. Geogr. Rast. 42: 42 (-43). 1991

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria discolor Guss. -- Fl. Sicul. Prodr. 1: 123. 1827 [Oct-Dec 1827] as key ingredient in indigenous anti-cancer Herbal Formulations after

enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria domini Nábělek -- Spisy Přír. Fak. Masarykovy Univ. 111: 15. 1929 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria dubjanskyi Tzvelev -- Novosti Sist. Vyssh. Rast. 42: 87 (-88). 2011 [13 Jul 2011]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria elegantula Domin -- Biblioth. Bot. lxv. 272 (1907). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria elegantula Domin -- Biblioth. Bot. 65: 172, pl. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria embergeri Quézel -- Bull. Soc. Hist. Nat. Afrique N. xliv. 257 (1954). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria enodis Keng -- Sunyatsenia 6: 60. 1941 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria epauneroi Kerguélen -- Lejeunia 75: 204, nom. nov. 1975 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria eriostachya Pančić -- Verh. Zool.-Bot. Vereins Wien 6: 591. 1856 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria eriostachya Pančić subsp. caucasica Domin -- Biblioth. Bot. 14(Heft 65): 161. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria eriostachya Pančić subsp. fominii Domin -- Věstn. Tiflissk. Bot. Sada 15: 9. 1910 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria eriostachya Pančić subsp. schroeteriana Domin -- Biblioth. Bot. 65: 160. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis Pers. var. amurensis Domin -- Biblioth. Bot. 65: 195. 1907

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis f. biflora Domin -- Biblioth. Bot. 65: 239. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. bolivensis Domin -- Repert. Spec. Nov. Regni Veg. 93-94. 1906 66 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. breviculmis Domin -- Biblioth. Bot. 65: 236. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. californica Domin -- Biblioth. Bot. 65: 233. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. californiensis Domin -- Biblioth. Bot. 65: 226. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. caudata Domin -- Biblioth. Bot. 65: 236. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis f. colorata Domin -- Biblioth. Bot. 65: 232. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis subvar. columbiana Domin -- Biblioth. Bot. 65: 208. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis f. congesta Domin -- Biblioth. Bot. 65: 232. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis Pers. var. convoluta (Hochst. ex Steud.) Hedberg -- Symb. Bot. Upsal. 15: 42. 1957

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. dasyclada Domin -- Biblioth. Bot. 65: 211. 1907 Domin, Monogr. Koeleria, 211. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis f. densevestita Domin -- Biblioth. Bot. 65: 223. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis f. filifolia Domin -- Biblioth. Bot. 65: 232. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis Pers. var. firma Serg. -- Sist. Zametki Mater. Gerb. Krylova Tomsk. Gosud. Univ. Kuybysheva 1: 4. 1928

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis Pers. var. fulcrata Serg. -- Sist. Zametki Mater. Gerb. Krylova Tomsk. Gosud. Univ. Kuybysheva 1: 4. 1928

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis subvar. genuina Domin -- Biblioth. Bot. 65: 201. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis f. glabra Domin -- Biblioth. Bot. 65: 231. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis Pers. var. gordjaginii Domin -- Biblioth. Bot. 65: 217. 1907

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis Pers. subsp. helvetica Domin -- Biblioth. Bot. 65: 226. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. latifrons Domin as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal

Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. latifrons Domin -- Biblioth. Bot. 65: 236. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. laxa Domin -- Biblioth. Bot. 65: 235. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis f. laxa Domin -- Biblioth. Bot. 65: 223. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. longifolia Domin -- Biblioth. Bot. 65: 224. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. mexicana Domin as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. mexicana Domin -- Biblioth. Bot. 65: 236, pl. 14, fig. 5. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. missouriana Domin -- Biblioth. Bot. 65: 233, pl. 14, fig. 4. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis subvar. multiflora Domin -- Biblioth. Bot. 65: 234. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. munita Domin -- Biblioth. Bot. 65: 235. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis Pers. var. obscura Velen. -- Berlin. Mag. 2: 26. 1903

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. oregana Domin -- Biblioth. Bot. 65: 224. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis subvar. oregana Domin -- Biblioth. Bot. 65: 208. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis Pers. var. pilifera Domin -- Biblioth. Bot. 65: 217. 1907

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis Pers. var. pratensis Serg. -- Sist. Zametki Mater. Gerb. Krylova Tomsk. Gosud. Univ. Kuybysheva 1: 4. 1928

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. pseudonitida Domin -- Biblioth. Bot. 65: 224. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis f. pubescens Domin -- Biblioth. Bot. 65: 231. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis subvar. pubiflora Domin -- Biblioth. Bot. 65: 234. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis f. quadriflora Domin -- Biblioth. Bot. 65: 239, pl. 14, fig. 6. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis Pers. var. sibirensis Domin -- Biblioth. Bot. 65: 216. 1907

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. sublanuginosa Domin -- Biblioth. Bot. 65: 234. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. subrepens Domin -- Biblioth. Bot. 65: 235. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis subvar. superfusa Domin -- Biblioth. Bot. 65: 208. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis Pers. var. supina (Domin) Hedberg -- Symb. Bot. Upsal. 15: 42. 1957

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis Pers. var. tomentosa Serg. -- Sist. Zametki Mater. Gerb. Krylova Tomsk. Gosud. Univ. Kuybysheva 1: 4. 1928

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis subvar. transiens Domin -- Biblioth. Bot. 65: 234. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis f. triflora Domin -- Biblioth. Bot. 65: 239, pl. 14, fig. 7. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis var. typica Domin -- Biblioth. Bot. 65: 230. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis subvar. vestita Domin -- Biblioth. Bot. 65: 234. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail- From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria gracilis f. washingtonensis Domin -- Biblioth. Bot. 65: 185. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria grandiflora Bertol. ex Schult. -- Mant. 2 (Schultes) 345. 1824 [Jan-Apr 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria grandis Besser ex Nyman -- Consp. Fl. Eur. 4: 816. 1882 [Oct 1882] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria grandis Domin -- Sched. Herb. Fl. Ross. vi. 170 (1908). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria grandis Besser ex Nyman var. quadriflora Domin -- Biblioth. Bot. 65: 245. 1907

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria grisebachii Domin -- Magyar Bot. Lapok 3: 342. 1904 Fedde, Rep. Nov. Spec. 2: 92. 1906 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria grisebachii Domin -- Magyar Bot. Lapok 3: 342. 1904 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria grisebachii Domin var. catamarcensis Domin -- Repert. Spec. Nov. Regni Veg. 2: 93. 1906 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha (Ledeb.) Schult. var. colorata (Heuff.) Ghișa -- Fl. Republ. Socialist. Romania 12: 237. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha (Ledeb.) Schult. var. eminens (Csató) Ghișa -- Fl. Republ. Socialist. Romania 12: 237. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha (Ledeb.) Schult. var. fenzliana (Schur) Ghișa -- Fl. Republ. Socialist. Romania 12: 236. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha (Ledeb.) Schult. var. flaccida (Domin) Ghișa -- Fl. Republ. Socialist. Romania 12: 237. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha (Ledeb.) Schult. f. glabrescens (Domin) Ghișa -- Fl. Republ. Socialist. Romania 12: 237. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha (Ledeb.) Schult. subsp. glauca (Schrad.) P.D.Sell -- Fl. Gr. Brit. Ireland 5: 363. 1996 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha (Ledeb.) Schult. subsp. helvetica (Domin) H.Scholz & Valdés -- Willdenowia 36(2): 663. 2006 [30 Oct 2006]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha (Ledeb.) Schult. f. lanata (Domin) Ghișa -- Fl. Republ. Socialist. Romania 12: 237. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha (Ledeb.) Schult. f. longifolia (Vasey ex Davey) Roy L.Taylor & MacBryde -- Canad. J. Bot. 56(2): 193. 1978 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha f. longifolia (Burtt Davy) Roy L.Taylor & MacBryde -- Canad. J. Bot. 56: 193. 1978 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha (Ledeb.) Schult. subsp. mongolica (Domin) H.Scholz -- Willdenowia 39(2): 332. 2010 [2009 publ. 4 Jan 2010]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha (Ledeb.) Schult. var. montana (Hausm.) Ghișa -- Fl. Republ. Socialist. Romania 12: 236. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine

Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha (Ledeb.) Schult. subsp. pseudocristata (Domin) Janch. ex Holub -- Folia Geobot. Phytotax. 28(1): 106. 1993 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha (Ledeb.) Schult. var. pseudocristata (Domin) Ghișa -- Fl. Republ. Socialist. Romania 12: 237. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha (Ledeb.) Schult. var. rigidula (Simonk.) Ghișa -- Fl. Republ. Socialist. Romania 12: 236. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrantha (Ledeb.) Schult. var. rohlenae (Domin) Ghișa -- Fl. Republ. Socialist. Romania 12: 236. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria macrura Domin -- Biblioth. Bot. lxv. 238 (1907). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria mannagettae Domin -- Biblioth. Bot. lxv. 132 (1907). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria mannagettae (Domin) Prain -- Index Kew. Suppl. 4: 70. 1913 [13 Nov 1913] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria mannagettae (Dom.) Ujhelyi -- Ann. Hist.-Nat. Mus. Natl. Hung. 66: 118. 1974 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria mariae V.N.Vassil. -- Bot. Mater. Gerb. Bot. Inst. Komarova Akad. Nauk S.S.S.R. 8: 70. 1940 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria maritima Lange -- Ind. Sem. Hort. Haun. (1859) 27. -Cf. Linnaea, xxx. (1859-60) 753. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria mendocinensis (Hauman) C.E.Calderón ex Nicora -- Fl. Patagonica 3: 64. 1978 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria mexicana in Domin as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria mexicana Domin as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria michelii (Savi) Coss. -- Exploration Scientifique de l'Alg?rie 2 1868 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria michelii (Savi) Coss. -- Expl. Sci. Algerie 2: 120. 1855 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria micrathera Griseb. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria micrathera Griseb. -- Abh. Königl. Ges. Wiss. Göttingen 24: 292. 1879 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria mitrushii Ujhelyi -- Ann. Hist.-Nat. Mus. Natl. Hung. 60: 96. 1968 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria nyaradyi Ujhelyi -- Ann. Hist.-Nat. Mus. Natl. Hung. 62: 175. 1970 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria obscura (Velen.) Kožuharov -- Sto Godini Stojanov 70. 1988

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria obtusata (Michx.) Trin. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. 1: 849. 1840 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria obtusata Trin. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. i. 849. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria obtusiflora Boiss. -- Diagn. Pl. Orient. ser. 1, 7: 121. 1846 [Jul-Oct 1846] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria oregana Nutt. ex Domin -- Biblioth. Bot. 64: 224. 1907 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria ovata Raspail -- Ann. Sci. Nat. (Paris) 5: 447. 1825 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it

Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pallida Wallr. -- Erst. Beitr. Fl. Hercyn. 173. 1840 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria panicea Domin -- Biblioth. Bot. lxv. 292 (1907). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria paniculata Nutt. -- Gen. N. Amer. Pl. [Nuttall]. 2: Add. [2]. 1818 [14 Jul 1818] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria paniculata Nutt. -- Gen. N. Amer. Pl. [Nuttall]. 2: additions [2]. 1818 [14 Jul 1818] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria paparistoi Ujhelyi -- Ann. Hist.-Nat. Mus. Natl. Hung. 60: 98. 1968 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria paradoxa Steud. -- Syn. Pl. Glumac. 1(3): 294. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria parreisziana C.Presl -- Abh. Königl. Böhm. Ges. Wiss. ser. 5, 3: 550. 1845 [Jul-Dec 1845] ; Bot. Bemerk. (C. Presl): 120. [Jan-Apr 1846] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria parviflora Bertol. ex Schult. -- Mant. 2 (Schultes) 344. 1824 [Jan-Apr 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria parviflora Link -- Enum. Hort. Berol. Alt. 1: 83. 1821 [16 Mar-30 Jun 1821] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pauneroi Ujhelyi -- Ann. Hist.-Nat. Mus. Natl. Hung. 55: 193. 1963 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pectinata (Lam.) Shinners -- Rhodora lviii. 95. 1956 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pennsylvanica DC. -- Cat. Pl. Horti Monsp. 117. 1813 [Feb-Mar 1813] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pennsylvanica (Spreng.) DC. -- Cat. Pl. Horti Monsp. 117. 1813 [Feb-Mar 1813] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pennsylvanica var. major Torr. -- Fl. New York 2: 469. 1847 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria penzesii Ujhelyi -- Ann. Hist.-Nat. Mus. Natl. Hung. 60: 93. 1968 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria permollis Steud. -- Syn. Pl. Glumac. 1(3): 293. 1854; Doell, in Mart. Fl. Bras. 2(3): 125. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria permollis Steud. -- Syn. Pl. Glumac. 1(3): 293. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria peruviana Beauv. ex Steud. -- Nomencl. Bot. [Steudel] 457, 637. 1821 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria philippiana É.Desv. -- Fl. Chil. [Gay] 6: 353, in nota. 1854 [probably after mid-1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria phleoides Pers. -- Synopsis Plantarum 1 1805 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria phleoides Pers. -- Syn. Pl. [Persoon] 1: 97. 1805 [1 Apr-15 Jun 1805] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria phleoides subvar. genuina Domin -- Monographie du Gattung Koeleria 1907 = Bibliotheca Botanica Heft 65 (1907) 258 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria phleoides subvar. glabriflora (Trautv.) Domin -- Monographie du Gattung Koeleria 1907 = Bibliotheca Botanica Heft 65 (1907) 258 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria phleoides var. phleoides Pers. -- Monographie du Gattung Koeleria 1907 = Bibliotheca Botanica Heft 65 (1907) 257 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria phleoides subvar. robusta (Borbas) Domin -- Monographie du Gattung Koeleria 1907 = Bibliotheca Botanica Heft 65 (1907) 258 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for

Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria phleoides Pers. var. subcapitata Kuntze -- Trudy Imp. S.-Peterburgsk. Bot. Sada 10: 252. 1887

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria phleoides var. typica Domin -- Monographie du Gattung Koeleria 1907 = Bibliotheca Botanica Heft 65 (1907) 257 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pilatii Ujhelyi -- Ann. Hist.-Nat. Mus. Natl. Hung. 60: 86. 1968 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pilifera (Domin) Tzvelev -- Novosti Sist. Vyssh. Rast. 42: 81. 2011 [13 Jul 2011]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pohleana (Domin) Gontsch. -- Fl. URSS, ed. Komarov ii. 323 (1934). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria poiformis Domin -- Biblioth. Bot. lxv. 171 (1907). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria polonica Domin -- Magyar Bot. Lapok iii. 186. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria polyantha Domin -- Biblioth. Bot. lxv. 225 (1907). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pontarlieri (Domin) Prain -- Index Kew. Suppl. 4: 135. 1913 [13 Nov 1913] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pontarlieri Domin -- Biblioth. Bot. lxv. 138 (1907). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pooides Nees ex Steud. -- Syn. Pl. Glumac. 1(3): 295. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria praeandina A.M.Molina -- Bol. Soc. Argent. Bot. 26: 221, fig. 1. 1990 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria probatovae Tzvelev -- Novosti Sist. Vyssh. Rast. 42: 78. 2011 [13 Jul 2011]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pseudocristata Domin -- Allg. Bot. Z. Syst. 9: 42. 1903 [Mar 1903] as key ingredient in indigenous anti-cancer Herbal Formulations after

enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pseudocristata Domin -- Allg. Bot. Z. Syst. 1903, 2. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pseudocristata Domin var. andicola Domin -- Repert. Spec. Nov. Regni Veg. 2: 94. 1906 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pseudocristata Domin var. californica Domin -- Magyar Bot. Lapok 3: 264. 1904 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pseudoglauca Schur -- Enum. Pl. Transsilv. 749. 1866 [Apr-Jun 1866] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pseudoglauca subsp. csatoi (Ujhelyi) Soó -- Acta Bot. Acad. Sci. Hung. 17(1-2): 122, as 'Csatoi'. 1972 [1971 publ. 1972] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pseudoglauca subsp. fenzliana (Schur) Soó -- Acta Bot. Acad. Sci. Hung. 17(1-2): 122. 1972 [1971 publ. 1972] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine

Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pubescens Dalla Torre -- Anleit. Beob. Alpenpfl. 227 (1882). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pubescens P.Beauv. -- Ess. Agrostogr. 85. 1812 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pulchella (Kunth) Spreng. -- Syst. Veg., ed. 16 [Sprengel] 1: 332. 1824 [dated 1825; publ. in late 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pulchella (Kunth) Spreng. -- Syst. Veg., ed. 16 [Sprengel] 1: 332. 1824 [dated 1825; publ. in late 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria pumila Domin -- Repert. Spec. Nov. Regni Veg. 2: 81. 1906 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria tenuicula Boiss. & Reut. -- Pugill. Pl. Afr. Bor. Hispan. 123. 1852 [Jan 1852] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria tenuiflora Salzm. ex Trin. -- Mém. Acad. Imp. Sci. St.-Pétersbourg, Sér. 6, Sci. Math. i. (1831) 66. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria tenuipes (Domin) Ujhelyi -- Ann. Hist.-Nat. Mus. Natl. Hung. 57: 191. 1965 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria tenuissima Galanin -- Fl. Daurii 2: 87 (& 90). 2009 ; nom. inval.

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria theodoriana (Klokov) Tzvelev -- Novosti Sist. Vyssh. Rast. 42: 74. 2011 [13 Jul 2011]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria thoni Domin -- Biblioth. Bot. lxv. 139 (1907). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria timuchinii Tzvelev -- Novosti Sist. Vyssh. Rast. 42: 76 (-77). 2011 [13 Jul 2011]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria tokiensis Domin -- Bull. Herb. Boissier Ser. II. v. 948. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria tokiensis Domin subsp. mongolica Domin -- Biblioth. Bot. 65: 130. 1907

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria trachyantha Phil. -- Fl. Atacam. 229. 1860 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria trachyantha Phil. -- Fl. Atacam. 55. 1860 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia

L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria transiliensis Reverd. ex Pavlov -- in Fl. Kazakhst. i. 212 (1956), sine descr. lat. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria transiliensis Reverd. ex Gamojun. -- Bot. Mater. Gerb. Bot. Inst. Bot. Acad. Nauk Kazakhsk. S.S.R. ii. 10 (1964). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria transsilvanica Schur -- Oesterr. Bot. Wochenbl. 7: 313. 1857 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria transsilvanica Schur subsp. tenuipes (Schur) Soó -- Acta Bot. Acad. Sci. Hung. 17(1-2): 122. 1972 [1971 publ. 1972] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria transvolgensis Tzvelev -- Novosti Sist. Vyssh. Rast. 42: 81. 2011 [13 Jul 2011]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria trapezuntina K.Koch -- Linnaea 21: 396. 1848 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria triaristata Schult. -- Mant. 2 (Schultes) 348. 1824 [Jan-Apr 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria tristis Domin -- Mem. Soc. Sc. Boheme, Cl. Sc. 1939, No. 1, 13 (1940). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria trivialis Bubani -- Fl. Pyren. (Bubani) 4: 358. [Dec 1901-Feb 1902] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria truncata Torr. -- Fl. New York ii. 469. I. 150. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria truncata Torr. -- Fl. N. Middle United States 1: 116. 1823 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria truncata var. major Torr. -- Fl. N. Middle United States 1: 117. 1824 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria tuberculosa Lojac. -- Fl. Sicul. (Lojacono) 3: 312. 1909 [1908 publ. 1909] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria tuberosa Pers. -- Syn. Pl. [Persoon] 1: 97. 1805 [1 Apr-15 Jun 1805] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria tunicata C.Presl -- Cyper. Gram. Sicul. 34. 1820 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria tunicata var. major Torr. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria tuzsonii Ujhelyi -- Ann. Hist.-Nat. Mus. Natl. Hung. 65: 92. 1973 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria tuzsonii Ujhelyi var. albanica (Don) Ujhelyi -- Ann. Hist.-Nat. Mus. Natl. Hung. 65: 95. 1973 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria tzvelevii N.V.Vlassova -- Bot. Zhurn. (Moscow & Leningrad) 72(12): 1668. 1987 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria valdevestita (Domin) Tzvelev -- Novosti Sist. Vyssh. Rast. 42: 87. 2011 [13 Jul 2011]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria valesiaca Gaudin -- Alpina iii. (1808) 47. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria valesiaca Gaudin -- Alpina iii. 47. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria valesiana Bertol ex Roemer & Schultes -- Mant. 2 (Schultes) 346 (1824). [Jan-Apr 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria vallesiana Asch. & Graebn. -- Mitteleurop. Fl. ii. 354. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria vallesiana Asch. & Graebn. subsp. abbreviata (Domin) Kerguélen -- in H. Coste, Fl. Descr. Illustr. France, Suppl. 5: 545. 1979 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria vallesiana Asch. & Graebn. var. intermedia (Timb.-Lagr.) P.Küpfer -- Boissiera 23: 72. 1974 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria vallesiana Asch. & Graebn. var. mediterranea (Braun-Blanq.) O.Bolòs & Vigo -- in J. Ros et al., Sist. Nat. Illes Medes 156 (1984):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria velenovskyi Domin -- Biblioth. Bot. lxv. 118 (1907). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria velenovskyi Domin -- Monographie du Gattung Koeleria 1907 = Bibliotheca Botanica Heft 65 (1907) 118 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria ventanicola A.M.Molina -- Bol. Soc. Argent. Bot. 26: 228, fig. 4. 1990 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria veresczaginii (Tzvelev ex N.V.Vlassova) Tzvelev -- Novosti Sist. Vyssh. Rast. 42: 80. 2011 [13 Jul 2011]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria vestita Nees ex Steud. -- Syn. Pl. Glumac. 1(3): 294. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria villosa Pers. -- Syn. Pl. [Persoon] 1: 97. 1805 [1 Apr-15 Jun 1805] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria villosa Bout. ex Willk. & Lange -- Prodr. Fl. Hispan. 1(1): 75. 1861 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria vlassovae Tzvelev -- Novosti Sist. Vyssh. Rast. 42: 82. 2011 [13 Jul 2011]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria vurilochensis C.E.Calderón ex Nicora -- Fl. Patagonica 3: 66. 1978 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria vurilochensis C.E.Calderón ex Nicora var. patagonica (Domin) A.M.Molina -- Parodiana 8(1): 57 (1993):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria vurilochensis var. patagonica (Domin) A.M.Molina -- Parodiana 8(1): 57 (60) fig. 1993 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Koeleria webbiana Parl. -- Giorn. Bot. i. III. 376. 1845 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis glabra (Petrie) Edgar -- New Zealand J. Bot. 33(1): 20 (1995):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis griffithiana Munro ex Hook.f. -- Fl. Brit. India [J. D. Hooker] 7(22): 263. 1896 [early Dec 1896] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis gussonis Trin. -- Sp. Gram. [Trinius] 3(21): t. 243. [1829 or 1830] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis hookeri Nees ex Steud. -- Syn. Pl. Glumac. 1(3): 173. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis hookeriana Nees ex Steud. -- Syn. Pl. Glumac. 1(3): 192. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs)

when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis hookeriana Nees ex Steud. -- Syn. Pl. Glumac. 1(3): 192. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis huttoniae (Hack.) A.J.Br. -- Muelleria 34: 40. 2015 [4 Aug 2015] [epublished]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis lachnantha (Nees) Rúgolo & A.M.Molina -- Bot. Nuevo Milenio 29. 2002

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis lacunarum (D.I.Morris) S.W.L.Jacobs -- Telopea 9(3): 446. 2002 [2001 publ. 5 Jan 2002] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis leptostachys (Hook.f.) Zotov -- in Rec. Domin. Mus., N. Zeal. v. 143 (1965). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis leviseta A.J.Br. -- Muelleria 26(2): 40 (-42, 37, 39; figs. 4a-b, 5e-i & 6). 2008 [1 Jul 2008]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis limitanea (J.M.Black) S.W.L.Jacobs -- Telopea 9(3): 446. 2002 [2001 publ. 5 Jan 2002] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis littoralis (Hack.) Edgar -- New Zealand J. Bot. 33(1): 23 (1995):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis littoralis (Hack.) Edgar subsp. salaria Edgar -- New Zealand J. Bot. 33(1): 24 (1995). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis lyallii (Hook.f.) Zotov -- in Rec. Domin. Mus., N. Zeal. v. 142 (1965). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis meionectes (Vickery) S.W.L.Jacobs -- Telopea 9(3): 446. 2002 [2001 publ. 5 Jan 2002] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis morrisii A.J.Br. -- Muelleria 24: 127 (-129; fig. 6, map). 2006 [22 Nov 2006]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis nesomytica A.J.Br. -- Muelleria 24: 130 (-131; fig. 8, map). 2006 [22 Nov 2006]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis nesomytica A.J.Br. subsp. paralia A.J.Br. -- Muelleria 24: 133 (-134; fig. 8f-g, map). 2006 [22 Nov 2006]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis nesomytica A.J.Br. subsp. pseudofiliformis A.J.Br. -- Muelleria 24: 131 (fig. 8h-l, map). 2006 [22 Nov 2006]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis palustris A.J.Br. -- Muelleria 26(2): 39 (-40, 37; figs. 4e-f, 5a-d & 6). 2008 [1 Jul 2008]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis perennis (Vickery) A.J.Br. -- Muelleria 26(2): 35. 2008 [1 Jul 2008]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis phleoides Nees & Meyen -- Nov. Actorum Acad. Caes. Leop.-Carol. Nat. Cur. 19(Suppl. 1): 146. 1843 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis pilosa (Buchanan) Edgar -- New Zealand J. Bot. 33(1): 27 (1995):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis pilosa (Buchanan) Edgar subsp. nubifera Edgar -- New Zealand J. Bot. 33(1): 28 (1995). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis plebeia Trin. -- Gram. Unifl. Sesquifl. 217. 1824 [late Oct or 1 Nov 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis plebeia (R.Br.) Trin. -- De Graminibus Unifloris et Sesquifloris 1824 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis polypogonoides (Stapf) A.J.Br. -- Muelleria 34: 40. 2015 [4 Aug 2015] [epublished]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis preissii Nees -- Plantae Preissianae 2(1) 1848 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis preissii Nees -- Pl. Preiss. [J.G.C.Lehmann] 2(1): 97. 1846 [26-28 Nov 1846] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis punicea (A.J.Br. & N.G.Walsh) S.W.L.Jacobs -- Telopea 9(4): 837. 2002 [5 Jul 2002] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis punicea (A.J.Br. & N.G.Walsh) S.W.L.Jacobs -- Telopea 9(3): 446. 2002 [2001 publ. 5 Jan 2002] ; nom. inval. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis punicea (A.J.Br. & N.G.Walsh) S.W.L.Jacobs subsp. filifolia (Vickery) S.W.L.Jacobs -- Telopea 9(3): 446. 2002 [2001 publ. 5 Jan 2002] ; nom. inval. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis punicea (A.J.Br. & N.G.Walsh) S.W.L.Jacobs subsp. filifolia (Vickery) S.W.L.Jacobs -- Telopea 10(4): 840. 2004 [Dec 2004]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis retrofracta (Willd.) Trin. -- Fundamenta Agrostographiae 1820 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis retrofracta Trin. -- Fund. Agrost. (Trinius) 128. 1820 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis richardii Zotov -- in Rec. Domin. Mus., N. Zeal. v. 143 (1965). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis × ripulae A.J.Br. -- Muelleria 33: 94. 2015 [21 Apr 2015] [epublished]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis robusta (Vickery) S.W.L.Jacobs -- Telopea 9(3): 447. 2002 [2001 publ. 5 Jan 2002] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis royleana Steud. -- Syn. Pl. Glumac. 1(3): 173. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis roylei Nees ex Steud. -- Syn. Pl. Glumac. 1(3): 193. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis rudis Trin. -- De Graminibus Unifloris et Sesquifloris 1824 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis rudis Trin. -- Gram. Unifl. Sesquifl. 217. 1824 [late Oct or 1 Nov 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis rudis Trin. subsp. nana A.J.Br. -- Muelleria 33: 93. 2015 [21 Apr 2015] [epublished]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis scabra Nees ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. 1: 250. 1840 ; nom. inval. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis scabra Nees ex Steud. subsp. curviseta A.J.Br. -- Muelleria 24: 127 (fig. 4i-k, map). 2006 [22 Nov 2006]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis schlechteri (Rendle) Rúgolo & A.M.Molina -- Bot. Nuevo Milenio 29. 2002

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis sodiroana (Hack.) Rúgolo & A.M.Molina -- Bot. Nuevo Milenio 26. 2002

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis striata (Colenso) Zotov -- in Rec. Domin. Mus., N. Zeal. v. 142 (1965). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis tenuis (Cheeseman) Edgar -- New Zealand J. Bot. 33(1): 30 (1995):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis uda Edgar -- New Zealand J. Bot. 33(1): 32 (1995). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis willdenowii Trin. -- Gram. Unifl. Sesquifl. 217 (1824). [late Oct or 1 Nov 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis willdenowii Trin. -- De Graminibus Unifloris et Sesquifloris 1824 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis willdenowii Trin. -- London J. Bot. 2: 412. 1843 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnagrostis willdenowii Nees -- Hooker's London Journal of Botany 2 1843 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnochloa Steud. -- Flora 33: 228 (1850), nomen; Syn. Pl. Gram. 5 (1855) ('Genus delendum'). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachnochloa pilosa Steud. -- Flora 33: 228 (1850), nomen; Syn. Pl. Gram. 5 (1855). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachryma-job Noronha -- Verh. Batav. Genootsch. Kunst. 5(Art. 4): 19. 1790 ; nom. inval. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachryma-jobi Ortega -- Tab. Bot. 30. 1773 ; vide Dandy, Ind. Gen. Vasc. Pl. 1753-74 (Regn. Veg. li.) 58 (1967) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachrymaria Heist. ex Fabr. -- Enum. [Fabr.]. 208. 1759 ; vide Dandy, Ind. Gen. Vasc. Pl. 1753-74 (Regn. Veg.li.) 58 (1967) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lachrymaria Heisl. -- Syst. 12 (1748). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lacryma Medik. -- Philos. Bot. (Medikus) 1: 177. 1789 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Laertia Gromov ex Trautv. -- Trudy Imp. S.-Peterburgsk. Bot. Sada ix. (1884) 354. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus L. -- Species Plantarum 2 1753 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus L. -- Genera Plantarum ed. 5 1754 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus L. -- Sp. Pl. 1: 81. 1753 [1 May 1753] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus cylindricus L. -- Syst. Nat., ed. 10. 2: 878. 1759 [7 Jun 1759] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus dalmaticus Gand. -- Contr. Fl. Terr. Slav. Merid. 1: 33. 1883 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus dimorphus Gand. -- Contr. Fl. Terr. Slav. Merid. 1: 34. 1883 as key ingredient in indigenous anti-cancer Herbal Formulations after

enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus freynii Gand. -- Contr. Fl. Terr. Slav. Merid. 1: 34. 1883 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus humilis Gand. -- Contr. Fl. Terr. Slav. Merid. 1: 33. 1883 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus longifolius Gand. -- Contr. Fl. Terr. Slav. Merid. 1: 33. 1883 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus nitens Lojac. -- Fl. Sicul. (Lojacono) 3: 286. 1909 [1908 publ. 1909] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus ovatus L. -- Sp. Pl. 1: 81. 1753 [1 May 1753] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus ovatus L. -- Species Plantarum 2 1753 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus ovatus L. var. subglaber H.Scholz -- Willdenowia 19(2): 405. 1990 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus ovatus L. subsp. vestitus (Messeri) Brullo -- see Pubbl. Ist. Bot. Univ. Catania (1985):. 1983 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus ovatus L. subsp. vestitus (Messeri) H.Scholz -- Willdenowia 19(2): 407, isonym. 1990 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus ovatus L. subsp. vestitus (Messeri) Brullo -- Colloqu. Phytosociolog. 12: 81 (1983);. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus paniculatus Burm.f. -- Fl. Ind. (N. L. Burman) 30. 1768 [1 Mar-6 Apr 1768] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus schoenanthus Steud. -- Nomencl. Bot. [Steudel] 461, 46. 1821 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lagurus siculus Lojac. -- Fl. Sicul. (Lojacono) 3: 286. 1909 [1908 publ. 1909] as key ingredient in indigenous anti-cancer Herbal Formulations

after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lakshmia Veldkamp -- Rheedea 18(2): 81 (-84). 2008

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lakshmia venusta (Thwaites) Veldkamp -- Rheedea 18(2): 84. 2008

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lamarckia Moench -- Methodus (Moench) 201 (1794). [4 May 1794] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lamarckia Moench -- Methodus Plantas horti botanici et agri Marburgensis 1794 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lamarckia Moench -- Methodus (Moench) 201. 1794 [4 May 1794] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis maxonii Swallen -- Ann. Missouri Bot. Gard. 30: 231. 1943 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it

Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis maxonii Swallen -- Ann. Missouri Bot. Gard. 30: 231. 1943 ; (Fl. Panama, Pt. 2, 119) as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis nigra Davidse -- Phytologia 29: 152. 1974 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis nigra Davidse -- Phytologia 29(2): 152. 1974 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis oaxacensis Hitchc. -- Proc. Biol. Soc. Washington 24: 145. 1911 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis oaxacensis Hitchc. ex Chase -- Proc. Biol. Soc. Washington xxiv. 145 (1911). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis oaxacensis Hitchc. ex Chase var. maxonii (Swallen) Davidse -- Ann. Missouri Bot. Gard. 64(2): 375. 1978 [1977 publ. 1978] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis oaxacensis var. maxonii (Swallen) Davidse -- Ann. Missouri Bot. Gard. 64: 375. 1978 1977 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis papillosa Swallen -- Publ. Carnegie Inst. Wash. No. 436, 349 (1934). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis papillosa Swallen -- Publ. Carnegie Inst. Wash. 436: 349. 1934 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis patentiflora Hitchc. & Chase -- Contr. U.S. Natl. Herb. xviii. 338 (1917). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis patentiflora Hitchc. & Chase -- Contr. U.S. Natl. Herb. 18: 338. 1917 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis procerrima Hitchc. ex Chase -- Proc. Biol. Soc. Washington xxiv. 145 (1911). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis procerrima Hitchc. -- Proc. Biol. Soc. Washington 24: 145. 1911 as key ingredient in indigenous anti-cancer Herbal Formulations after

enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis rhizophora Hitchc. ex Chase -- Proc. Biol. Soc. Washington xxiv. 145 (1911). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis rhizophora (E.Fourn.) Hitchc. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiacis rhizophora Hitchc. -- Proc. Biol. Soc. Washington 24: 145. 1911 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis caragana Trin. & Rupr. -- Sp. Gram. Stipac. 90 (-91). 1842 ; preprint of Mém. Acad. Imp. Sci. Saint-Pétersbourg, Sér. 6, Sci. Math., Seconde Pt. Sci. Nat. 7(2, Bot.): 90 (-91). Mar 1843; this is vol. 5 of the Sci. Nat. series. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis caragana (Trin.) Trin. & Rupr. -- Sp. Gram. Stipac. 90 (-91). 1842 ; preprint of Mém. Acad. Imp. Sci. Saint-Pétersbourg, Sér. 6, Sci. Math., Seconde Pt. Sci. Nat. 7(2, Bot.): 90 (-91). Mar 1843; this is vol. 5 of the Sci. Nat. series. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis elongata Nees -- Fl. Afr. Austral. Ill. 167. 1841 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis elongata Nees -- Fl. Afr. Austral. Ill. 168. 1841 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis gigantea Trin. & Rupr. -- Sp. Gram. Stipac. 96 (-97). 1842 ; preprint of Mém. Acad. Imp. Sci. Saint-Pétersbourg, Sér. 6, Sci. Math., Seconde Pt. Sci. Nat. 7(2, Bot.): 96 (-97). Mar 1843; this is vol. 5 of the Sci. Nat. series. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis jacquemontii Munro ex Boiss. -- Fl. Orient. [Boissier] 5(2): 506. 1884 [Apr 1884] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis longearistata (Boiss. & Hausskn.) Roshev. & Nevski -- Fl. URSS ii. 73 (1934). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis moldvaii Pénzes -- Feddes Repert. 81: 385. 1970 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis mongholica Trin. & Rupr. -- Sp. Gram. Stipac. 87 (-88). 1842 ; preprint of Mém. Acad. Imp. Sci. Saint-Pétersbourg, Sér. 6, Sci. Math., Seconde Pt. Sci. Nat. 7(2, Bot.): 87 (-88). Mar 1843; this is vol. 5 of the Sci. Nat. series. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis nevskii Roshev. ex Kom. -- Fl. URSS ii. 73 (1934), in syn. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis redowskyi (Trin.) Woronow ex Grossh. -- Fl. Kavkaza [Grossheim] 1: 69. 1928 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis splendens Kunth -- Révis. Gramin. i. 58. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis splendens Kunth -- Révis. Gramin. i. 58. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis subsessiliflora Rupr. -- Sert. Tiansch. 35. 1869 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis tenacissima Trin. & Rupr. -- Sp. Gram. Stipac. 94 (-96). 1842 ; preprint of Mém. Acad. Imp. Sci. Saint-Pétersbourg, Sér. 6, Sci. Math., Seconde Pt. Sci. Nat. 7(2, Bot.): 94 (-96). Mar 1843; this is vol. 5 of the Sci. Nat. series. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis tremula Rupr. -- Sert. Tiansch. 35. 1869 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis tremula Rupr. -- Sert. Tiansch. 35. 1869 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis variegata G.Mey. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. ii. 11. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiagrostis variegata G.Mey. -- Chloris Han. 654 (1836). [Jul-Aug 1836] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasingrostis Link -- Handbuch [Link] 1: 39, sphalm. 1829 [Jan-Aug 1829] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiochloa Kunth -- Révis. Gramin. ii. 555. t. 192 (1830). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiochloa adscendens Kunth -- Enum. Pl. [Kunth] 1: 388. 1833 [Jul-Aug 1833] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiostega Rupr. ex Benth. -- Pl. Hartw. [Bentham] 347. 1857 [Feb 1857] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiostega humilis Rupr. ex Benth. -- Pl. Hartw. [Bentham] 347. 1857 [Feb 1857] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiotrichos Lehm. -- Cat. Lem. Hort. Hamb. (1834). Cf. Linnaea, x. (1836) Litt. 113. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiurus Boiss. -- Diagn. Pl. Orient. ser. 2, 4: 145. 1859 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiurus ecaudatus Satyanar. & Shankarnar. -- J. Bombay Nat. Hist. Soc. lx. 764 (1964). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiurus epectinatus Napper -- Kirkia 3: 121. 1963 [Jan 1963] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiurus hirsutus Boiss. -- Diagn. Pl. Orient. ser. 2, 4: 146. 1859 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiurus hirsutus Boiss. -- Diagn. Pl. Orient. ser. 2, 4: 146. 1859 ; nom. illeg. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiurus maitlandii Stapf & C.E.Hubb. -- Bull. Misc. Inform. Kew 1927(7): 264. [19 Sep 1927] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lasiurus scindicus Henrard -- Blumea iv. 514 (1941). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Laston C.Pau -- Fl. Espanola 6: 113 (1895). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Latipes Kunth -- Révis. Gramin. i. 261. t. 42 (1830). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Latipes inermis Chiov. -- Pl. Nov. Aethiop. 22 (1928). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Latipes senegalensis Kunth -- Révis. Gramin. i. 261. t. 42 (1830). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lechlera Miq. ex Steud. -- Syn. Pl. Glumac. 1(2): 101, in nota sub RELCHELA. 1854 [1855 publ. 2-3 Mar 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine

Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lechlera Steud. -- Syn. Pl. Glumac. 1(2): 101, in nota. 1854 [1855 publ. 2-3 Mar 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lecomtella A.Camus -- in Compt. Rend. clxxxi. 567. 1925 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lecomtella madagascariensis A.Camus -- in Compt. Rend. clxxxi. 567. 1925 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leersia Sw. -- Nova Genera & Species Plantarum seu Prodromus 1788 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leersia Sw. -- Prodr. [O. P. Swartz] 1, 21. 1788 [20 Jun-29 Jul 1788] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leersia Sol. ex Sw. -- Prodr. [O. P. Swartz] 21 (1788). [20 Jun-29 Jul 1788] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leersia sect. Hexandrae G.C.Tucker -- J. Arnold Arbor. 69(3): 263 (1988). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepeocercis annulata Nees -- Fl. Afr. Austral. Ill. 98. 1841 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepeocercis bladhii Nees ex Steud. -- Syn. Pl. Glumac. 1(4-5): 380. 1854 [1855 publ. 20-21 Jul 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepeocercis digitata Nees -- Fl. Afr. Austral. Ill. 99. 1841 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepeocercis mollissima Nees ex Baker -- Fl. Mauritius 444. 1877 [2 Aug 1877] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepeocercis pertusa Hassk. -- Pl. Jav. Rar. 52. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepeocercis serrata Trin. -- Fund. Agrost. (Trinius) 203, t. 18. 1820 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it

Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepideilema Trin. -- Mém. Acad. Imp. Sci. St.-Pétersbourg, Sér. 6, Sci. Math. i. (1831) 93. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepideilema lancifolium Trin. -- Mém. Acad. Imp. Sci. St.-Pétersbourg, Sér. 6, Sci. Math. i. (1831) 93. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepidopironia A.Rich. -- Tent. Fl. Abyss. 2: 442, t. 101. 1850 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepidopironia cenchriformis A.Rich. -- Tent. Fl. Abyss. 2: 442, t. 101. 1850 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepidopyronia Benth. -- J. Linn. Soc., Bot. 19: 106. 1881 [1882 publ. 1881] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepidurus Janch. -- Wiener Bot. Z. 93: 85, in obs. 1944 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepidurus incurvus (L.) Janch. -- Wiener Bot. Z. 93: 85, in obs. 1944 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepitoma Torr. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. ii. 29 (1841). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepitoma brevifolia Torr. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. ii. 29 (1841). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepiurus Dumort. -- Observ. Gramin. Belg. 140 (1823). 1824 [Jul-Sep 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepiurus filiformis Dumort. -- Observ. Gramin. Belg. 146. 1824 [Jul-Sept 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepiurus incurvatus (L.) Dumort. -- Observ. Gramin. Belg. 140. 1824 [Jul-Sept 1824] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Lepiurus strigosus Dumort. -- Observ. Gramin. Belg. 146. 1824 [Jul-Sept 1824] as key ingredient in indigenous anti-cancer Herbal Formulations

after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptagrostis C.E.Hubb. -- Bull. Misc. Inform. Kew 1937(1): 63. [18 Feb 1937] ; et l.c. 1939: 645. 1940, descr. ampl. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptagrostis schimperiana (Hochst.) C.E.Hubb. -- Bull. Misc. Inform. Kew 1937(1): 63. [18 Feb 1937] ; et l.c. 1937: 63. 1940. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis R.Br. -- Prodr. Fl. Nov. Holland. 211. 1810 [27 Mar 1810] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis R.Br. -- Prodromus Florae Novae Hollandiae 1810 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis angustifolia Summerh. & C.E.Hubb. -- Bull. Misc. Inform. Kew 1927(1): 40, 78. [2 Feb 1927] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis banksii R.Br. -- Prodr. Fl. Nov. Holland. 211. 1810 [27 Mar 1810] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis banksii R.Br. -- Prodromus Florae Novae Hollandiae 1810 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis cochleata Thwaites -- Enum. Pl. Zeyl. [Thwaites] 357. 1864 [Dec 1864] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis comorensis A.Camus -- Bull. Mus. Natl. Hist. Nat. 1924, xxx. 513. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis conchifera Hack. -- Bol. Soc. Brot. 5: 211, t. G fig. A. 1887 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis cumingii Steud. -- Syn. Pl. Glumac. 1(6): 416. 1854 [1855 publ. 28-29 Nov 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis formosana C.C.Hsu -- Taiwania 16(2): 214. 1971 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis lanceolata Zoll. -- Syst. Verz. (Zollinger) 53. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis manillensis Steud. -- Syn. Pl. Glumac. 1(1): 8. 1853 [1855 publ. 10-12 Dec 1853] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis sessilis Ohwi -- Bot. Mag. (Tokyo) 56: 3. 1942 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis tararaensis Jansen -- Reinwardtia ii. 304 (1953). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis umbrosa Balansa -- Bull. Soc. Bot. France 19: 326. 1873 [1872 publ. 1873] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis urceolata R.Br. -- Pl. Jav. Rar. (Bennett) 23. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptaspis zeylanica Nees ex Steud. -- Syn. Pl. Glumac. 1(1): 8. 1853 [1855 publ. 10-12 Dec 1853] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera

(Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptatherum Nees -- Proc. Linn. Soc. London 1(11): 92. 1841 [Apr 1841] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptatherum bequaertii Robyns -- Fl. Agrost. Congo Belge 89 (1929). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptatherum boreale (Ohwi) C.Hui Chen, Kuoh & Veldkamp -- Blumea 54(1-3): 179. 2009 [30 Oct 2009]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptatherum japonicum Franch. & Sav. -- Enum. Pl. Jap. ii. 609. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptatherum japonicum Franch. & Sav. var. boreale (Ohwi) Ibaragi & Yonek. -- J. Jap. Bot. 90(1): 71. 2015 [20 Feb 2015]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptatherum nudum (Trin.) C.Hui Chen, Kuoh & Veldkamp -- Blumea 54(1-3): 179. 2009 [30 Oct 2009]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptatherum royleanum Nees -- Proc. Linn. Soc. London 1(11): 93. 1841 [Apr 1841] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptatherum somae (Hayata) C.Hui Chen, Kuoh & Veldkamp -- Blumea 54(1-3): 179. 2009 [30 Oct 2009]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptocanna L.C.Chia & H.L.Fung -- Acta Phytotax. Sin. 19(2): 212 (1981). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptocanna chinensis (Rendle) L.C.Chia & H.L.Fung -- Acta Phytotax. Sin. 19(2): 213 (1981):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptocarpydion plumosum Hochst. ex T.Durand & Schinz -- Consp. Fl. Afr. [T.A. Durand & H. Schinz] 5: 877. 1894 [Dec 1894] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptocarydion Hochst. ex Benth. & Hook.f. -- Gen. Pl. [Bentham & Hooker f.] 3(2): 1176. 1883 [14 Apr 1883] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptocarydion alopecuroides (Hochst. ex Steud.) Stapf -- Fl. Cap. (Harvey) 7(4): 649, in obs. 1900 [May 1900] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptocarydion vulpiastrum Stapf -- Fl. Cap. (Harvey) 7(4): 648. 1900 [May 1900] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptocercus Raf. -- Amer. Monthly Mag. & Crit. Rev. 4(3): 190. 1819 [Jan 1819] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa P.Beauv. -- Essai d'une nouvelle Agrostographie 1812 Pl. 15, fig. 1. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa P.Beauv. -- Ess. Agrostogr. 71. 1812 [Dec 1812] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa P.Beauv. -- Ess. Agrostogr. 71. t. 15. f. 1 (1812). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa sect. Leptochloa P.Beauv. -- Die Nat?rlichen Pflanzenfamilien ed. 2, 14d 1956 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa sect. Pseudocynodon Benth. -- Journal of the Linnean Society, Botany 19 1881 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa acuminata (Nash) Mohlenbr. -- Ill. Fl. Illinois, Grasses: Panicum-Danthonia 293. 1973 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa acuminata (Nash) Mohlenbr. -- Illus. Fl. Illinois, Grasses, Panicum to Danthonia 293. 1973 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa albemarlensis B.L.Rob. & Greenm. -- Amer. J. Sci. ser. 3, 50: 145. 1895 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa albermarlensis B.L.Rob. & Greenm. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa anisopoda (B.L.Rob.) P.M.Peterson -- Taxon 64(3): 458. 2015 [25 Jun 2015]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa anoplia Nees -- Linnaea 19: 691. 1847 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa appletonii Stapf -- Bull. Misc. Inform. Kew 1907(6): 223. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa aquatica Scribn. & Merr. -- Bull. Div. Agrostol. U.S.D.A. 24: 26. 1901 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa aquatica Scribn. & Merr. -- Bull. Div. Agrostol. U.S.D.A. xxiv. 26. 1901 [9 Jan 1901] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa arabica Kunth -- Révis. Gramin. i. 91. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa arenaria Hochst. & Steud. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. ii. 29. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa asthenes C.E.Hubb. -- Bulletin of Miscellaneous Information, Kew 1932 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa asthenes (Roem. & Schult.) C.E.Hubb. -- Bull. Misc. Inform. Kew 1941(1): 26. [8 Nov 1941] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa attenuata Steud. -- Syn. Pl. Glumac. 1(3): 209. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa attenuata (Nutt.) Steud. -- Syn. Pl. Glumac. 1(3): 209. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa barbata (Desv.) Parodi ex Nicora -- Hickenia 2: 91. 1993 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa barbata (Desv.) Parodi ex Nicora -- Hickenia 2(19): 91 (1993):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa bipinnata (L.) Hochst. -- Flora 38: 422. 1855 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa bipinnata (L.) Hochst. -- Flora 38: 422. 1855 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa bipinnata Herb.Berol ex Baill. -- Herb. Boiss. ii. (1893) 1075. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa brachiata Steud. -- Syn. Pl. Glumac. 1(3): 209. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa brachiata Steud. -- Syn. Pl. Glumac. 1(3): 209. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa brandegeei (Vasey) Hitchc. -- Bull. Bur. Pl. Industr. U.S.D.A. 33, p. 21 (1903). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa brandegeei (Vasey) Vasey as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa brownii C.E.Hubb. -- Bull. Misc. Inform. Kew 1941(1): 26. [8 Nov 1941] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa brownii C.E.Hubb. -- Bulletin of Miscellaneous Information, Kew 1932 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa burchellii Munro as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for

Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa burchellii Munro ex Döll -- Fl. Bras. (Martius) 2(3): 94. 1878 [1 Sep 1878] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa burchellii Munro ex Döll -- Fl. Bras. (Martius) 2(3): 94. 1878 [1 Sep 1878] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa calycina Kunth -- Révis. Gramin. i. 91. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa capillacea P.Beauv. -- Essai d'une Nouvelle Agrostographie 1812 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa capillacea P.Beauv. -- Ess. Agrostogr. 71. 1812 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa caudata (K.Schum.) N.Snow -- Novon 8(1): 77. 1998 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa chinensis Nees -- Numer. List [Wallich] n. 8896. 1848 [5 Aug 1848] ; nom. inval. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa chinensis Nees -- Syll. Pl. Nov. i. 4. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa chinensis (Roth) Nees -- Sylloge Plantarum Novarum itemque Minus Cognitarum 1 1824 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa chinensis Nees -- Syll. Pl. Nov. i. (1824) 4; Agrost. Bras. 432. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa chloridiformis Parodi -- Physis (Buenos Aires) iv. 184 (1918). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa chloridiformis (Hack.) Parodi as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa chloridiformis Parodi -- Physis (Buenos Aires) 4: 184. 1918 as Letopchloa as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa ciliata Peter -- Repert. Spec. Nov. Regni Veg. Beih. 40(1): 263, in clavi. 1931 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa ciliolata (Jedwabn.) S.T.Blake -- Contr. Queensland Herb. 14: 6. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa ciliolata (Jedwabn.) S.T.Blake -- Contributions from the Queensland Herbarium 14 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa coerulescens Steud. -- Syn. Pl. Glumac. 1(3): 209. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa contracta (Retz.) Blatt. & McCann -- in Sci. Monogr. Imp. Counc. Agric. Research No. 5 (Bombay Grasses) 243 (1935). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa coromandelina Steud. -- Syn. Pl. Glumac. 1(3): 209. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa crinita (Lag.) P.M.Peterson & N.Snow -- Ann. Bot. (Oxford) 109(7): 1327. 2012 [7 Jun 2012] "(as ""crinata"") [epublished]"

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa cynosuroides Roem. & Schult. -- Systema Vegetabilium 2 1825 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa cynosuroides Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 2: 579. 1817 [Nov 1817] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa debilis Stapf ex C.E.Hubb. -- Bull. Misc. Inform. Kew 1941(1): 26. [8 Nov 1941] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa debilis C.E.Hubb. -- Bulletin of Miscellaneous Information, Kew 1932 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa decipiens (R.Br.) Druce -- The Botanical Exchange Club and Society of the British Isles Report for 1916, Suppl. 2 1917 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa decipiens (R.Br.) Stapf ex Maiden -- Agric. Gaz. New South Wales xx. 307 (1909). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa decipiens (R.Br.) Maiden -- Agricultural Gazette of New South Wales 20 1909 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa decipiens Druce -- Rep. Bot. Soc. Exch. Club Brit. Isles 4(Suppl. 2): 632. 1917 [Jul 1917] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa decipiens (R.Br.) Stapf ex Maiden subsp. asthenes (Roem. & Schult.) N.Snow -- Novon 8(1): 77. 1998 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa decipiens (R.Br.) Stapf ex Maiden subsp. peacockii (Maiden & Betche) N.Snow -- Novon 8(1): 78. 1998 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa digitaria (Kunth) Nees -- Fl. Bras. Merid. (A. St.-Hil.). 2(1): 433. 1829 [Mar-Jun 1829] Agrost. Bras. 433. 1829. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa digitaria Nees -- Fl. Bras. Enum. Pl. 2(1): 433. 1829 [Mar-Jun 1829] ; alt. title: Agrost. Bras. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera

(Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa digitata Domin -- Biblioth. Bot. lxxxv. 379 (1915). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa digitata (R.Br.) Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 85 (Dec. 1915) 379 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa digitatiformis Beetle -- Phytologia 52: 14. 1982 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa digitatiformis Beetle -- Phytologia 52(1): 14 (1982). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa divaricatissima S.T.Blake -- Contributions from the Queensland Herbarium 14 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa divaricatissima S.T.Blake -- Contr. Queensland Herb. 14: 8. 1972 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa domingensis Trin. -- Fund. Agrost. (Trinius) 133. 1820; Link, Enum. Hort Berol. 1: 103. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa dubia Nees -- Syll. Pl. Nov. i. (1824) 4; Agrost. Bras. 433. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa dubia (Kunth) Nees -- Syll. Pl. Nov. 1: 4. 1824 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa dubia var. humboldtiana (Kuntze) Beetle -- Phytologia 54: 4. 1983 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa dubia Nees var. humboldtiana (Kuntze) Beetle -- Phytologia 54(1): 4 (1983):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa dubia var. pringleana Scribn. & Merr. -- Bull. Div. Agrostol. U.S.D.A. 24: 27. 1900 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa dubia var. pringleana (Kuntze) Scribn. & Merr. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it

Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa eleusine (Nees) Cope & N.Snow -- Novon 8(1): 78. 1998 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa eragrostoides Steud. -- Syn. Pl. Glumac. 1(3): 208. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa exilis (Renvoize) P.M.Peterson -- Taxon 64(3): 458. 2015 [25 Jun 2015]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa falcata Hack. ex Schinz -- Herb. Boiss. iii. (1895) 386. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa falcata Hack. -- Bull. Herb. Boissier iii. 386. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa fascicularis A.Gray -- Manual (Gray), ed. 5. 623. 1867 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa fascicularis Griseb. ex Benth. -- J. Linn. Soc., Bot. 19: 108. 1881 [1882 publ. 1881] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa fascicularis var. acuminata (Nash) Gleason -- Phytologia 4: 21. 1952 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa fascicularis var. maritima (E.P.Bicknell) Gleason -- Phytologia 4: 21. 1952 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa filiformis (Lam.) P.Beauv. -- Essai Nouvelle Agrostographiae 1812 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa filiformis J.Presl -- Reliq. Haenk. 1(4-5): 288. 1830 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa filiformis P.Beauv. -- Ess. Agrostogr. 71. 1812 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa filiformis Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 2: 580. 1817 [Nov 1817] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs)

when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa halei Scribn. & Merr. -- Bull. Div. Agrostol. U.S.D.A. xxiv. 27. 1901 [9 Jan 1901] as key ingredient in indigenous anti-cancer Herbal

Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa hirta Steud. -- Syn. Pl. Glumac. 1(3): 209. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa hookeri Andersson -- in Freg. Eugenies Resa, Bot. 51 (1857-61). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa humilis Nees ex Steud. -- Syn. Pl. Glumac. 1(3): 210. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa imbricata Thurb. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa imbricata Thurb. in S.Watson -- Bot. California [W.H.Brewer] 2: 293. 1880 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa imbricata Thurb. -- Bot. California [W.H.Brewer] ii. 293. 1880 [Jul-Dec 1880] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa langloisii Vasey -- Bull. Torrey Bot. Club 12(1): 7. 1885 [Jan 1885] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa laurentii De Wild. -- Miss. Em. Laurent i. 207 (1906). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa laxa Trin. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. ii. 30 (Quid ?). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa liebmannii E.Fourn. & E.Fourn. -- Mexic. Pl. 147, descr. 1886 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa liebmannii E.Fourn. ex Hemsl. -- Biol. Cent.-Amer., Bot. iii. 565. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa ligulata Lazarides -- Brunonia 1980 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa ligulata Lazarides -- Brunonia 3(2): 259 (1980). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it

Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa lindleyana Kunth -- Enum. Pl. [Kunth] 1: 525. 1833 [Jul-Aug 1833] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa lindleyana Kunth -- Enum. Pl. [Kunth] 1: 525. 1833 [Jul-Aug 1833] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa loliiformis F.Muell. -- Fragmenta Phytographiae Australiae 8 1874 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa loliiformis F.Muell. -- Fragm. (Mueller) 8(64): 128. 1873 [Dec 1873] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa longa Griseb. -- Fl. Brit. W.I. [Grisebach] 538. 1864 [Oct 1864] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa longa Griseb. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for

Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa longiglumis Hitchc. -- Proc. Biol. Soc. Washington 1930, xliii. 91. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa malabarica (L.) Veldkamp -- Blumea 19(1): 64. 1971 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa malayana (C.E.Hubb.) Jansen ex Veldkamp -- Blumea 19(1): 64. 1971 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa maritima (E.P.Bicknell) LeBlond & Sorrie -- J. Bot. Res. Inst. Texas 5(2): 451. 2011 [7 Dec 2011]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa marlothii Hack. -- Bot. Jahrb. Syst. 11(4): 404. 1889 [31 Dec 1889] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa marquisensis (F.Br.) P.M.Peterson & Judz. -- Taxon 39(4): 659 (1990):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa mexicana Scribn. -- Bull. Torrey Bot. Club 18(10): 313. 1891 ; nom. inval. as key ingredient in indigenous anti-cancer Herbal

Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa mexicana Scribn. -- Proc. Acad. Nat. Sci. Philadelphia 1891: 302. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa mollis Kunth -- Révis. Gramin. ii. 443. t. 135. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa monostachya Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 2: 580. 1817 [Nov 1817] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa monostachya Roem. & Schult. -- Syst. Veg., ed. 15 bis [Roemer & Schultes] 2: 580. 1817 [Nov 1817] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa monticola Chase -- J. Wash. Acad. Sci. 17; 73, fig. 1927 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa monticola Chase in Leonard -- J. Wash. Acad. Sci. 1927, xvii. 73. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and

Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa mucronata (Michx.) Kunth -- Révis. Gramin. 1: 91. 1829 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa mucronata Kunth -- Révis. Gramin. i. 91. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa mucronata var. pulchella Scribn. -- Bull. Torrey Bot. Club 9(12): 147. 1882 [Dec 1882] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa mucronata var. pulchella Scribn. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa muelleri (Benth.) Stace -- Watsonia 18(4): 413. 1991 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa mutica Steud. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa mutica Steud. -- Syn. Pl. Glumac. 1(3): 208. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa nealleyi Vasey ex Coville -- Contr. U.S. Natl. Herb. ii. (1894) 534. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa nealleyi Vasey -- Bull. Torrey Bot. Club 12(1): 7. 1885 [Jan 1885] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa neesii Benth. -- J. Linn. Soc., Bot. 19: 108. 1881 [1882 publ. 1881] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa neesii Benth. -- J. Linn. Soc., Bot. 19: 108. 1881 [1882 publ. 1881] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa neesii (Thwaites) Benth. -- Journal of the Linnean Society, Botany 19 1881 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa neuroglossa Eichinger -- Repert. Spec. Nov. Regni Veg. Beih. 40(1, Anhang): 75. 1930 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb.

f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa obtusiflora Trin. ex Steud. -- Nomencl. Bot. [Steudel], ed. 2. ii. 30. 1841 ; nom. inval. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa obtusiflora Hochst. -- Flora 38(13): 203. 1855 [7 Apr 1855]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa obtusifolia Hochst. -- Flora 38: 203. 1855 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa panicea (Retz.) Ohwi -- Bot. Mag. (Tokyo) 55: 311. 1941 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa panicea subsp. brachiata (Steud.) N.Snow -- Novon 8: 79. 1998 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa panicea (Retz.) Ohwi subsp. brachiata (Steud.) N.Snow -- Novon 8(1): 79. 1998 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa panicea subsp. mucronata (Michx.) Nowack -- Rheedea 5: 93. 1995 as key ingredient in indigenous anti-cancer Herbal

Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa panicea (Retz.) Ohwi subsp. mucronata (Michx.) R.Nowack -- Rheedea 5(1): 93 (1995):. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa panicoides Wight ex Steud. -- Syn. Pl. Glumac. 1(1): 62. 1853 [1855 publ. 10-12 Dec 1853] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa panicoides Wight ex Steud. -- Syn. Pl. Glumac. 1(1): 62. 1853 [1855 publ. 10-12 Dec 1853] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa panicoides (Presl) Hitchc. -- Amer. J. Bot. 1934, xxi- 137. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa panicoides (J.Presl) Hitchc. -- Amer. J. Bot. 21: 137. 1934 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa paniculata E.Fourn. -- Bull. Soc. Bot. France 27: 296. 1880 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa parviflora (R.Br.) Verloove & Lambinon -- Syst. & Geogr. Pl. 76(2): 219. 2006 [18 Dec 2006]

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa patens Kunth -- Enum. Pl. [Kunth] 1: 271. 1833 [Jul-Aug 1833] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa peacockii Domin -- Bibliotheca Botanica 89(4) 1928 = Bibliotheca Botanica Heft 85 (Dec. 1915) 379 as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa peacockii Domin -- Biblioth. Bot. lxxxv. 379 (1915). as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa pectinata Kunth -- Révis. Gramin. i. 91. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa pellucida Steud. -- Syn. Pl. Glumac. 1(3): 209. 1854 [1855 publ. 12-13 Apr 1854] as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa perennis Hack. -- Primer Informe Anual Estac. Agron. Cuba 411 (1906); Fedde, Repert. Nov. Sp.iv. 113. as key ingredient in indigenous anti-cancer Herbal Formulations after enriching it Allelopathically: Quick Note on its compatibility with Chiloschista lunifera (Rchb. f.) J. J. Sm. and Rubia cordifolia L. based Herbal Formulations for Neuroendocrine

Tumors (NETs) when modern medicines fail-From Medicinal Plant Database by Pankaj Oudhia, Audio Bank Project at pankajoudhia.com

Purified (Shodhit through traditionally validated methods using medicinal sedges) Leptochloa perennis Hack. -- Informe Anual Estac. Centr. Agron.
